Experian Information Solutions, Inc.

v.

Experion, LLC

By the Trademark Trial and Appeal Board:

On April 9, 2019, Respondent filed a proposed amendment to its Registration No. 4390629, with allegation of Petitioner's consent. 9 TTABVUE. The proposed amendment was (1) not accompanied by the proper fee under Trademark Rule 2.6; and (2) not verified or supported by a declaration under Trademark Rule 2.20. On April 15, 2019, the Board, while accepting the Respondent's proposed amendment allowed Respondent 30 days within which to submit the required fee and declaration in support of the amendment. 10 TTABVUE 2.

On April 17, 2019, Respondent submitted the required fee and declaration in support of its proposed amendment. Inasmuch as the amendment now complies with the requirements of Trademark Rule 2.173, it is limiting in nature, and Petitioner consents thereto, the amendment is approved. *See* Trademark Rule 2.133(a). 11 TTABVUE.

The amendment will be forwarded to the Post Registration Branch of this Office for entry of the amendment in accordance with Section 7(e) of the Trademark Act in International Class 35 as follows:

Management and business consulting services in the field of architecture, engineering and construction; Project management services for others for business purposes in the fields of architecture and engineering.

The recitation of services in International Classes 37 and 42 of the subject registration remain unchanged.

If the amendment resolves this proceeding, Petitioner is allowed until **thirty days from the date of this order** to file a withdrawal of the petition to cancel, failing which the petition to cancel will go forward on the registration as amended. *See* Trademark Rule 2.114(c).

If no response is filed, proceedings will be resumed and dates reset, as appropriate.

Proceedings are otherwise suspended.
