<sup>1</sup> Said motion was incorporated into the petition to cancel in the cancellation proceeding. Pleadings and motions should be separate filings.

The Board file will be maintained in Opposition No. 91246432 as the “parent” case. As a general rule, from this point onward, the parties should file a single copy of any submission herein in the Board file for the parent case. That copy, however, should include both consolidated proceeding numbers in the caption thereof.

Despite being consolidated, each proceeding retains its separate character. The decision on the consolidated cases shall take into account any differences in the issues raised by the respective pleading; a copy of the decision shall be placed in each proceeding file.

Dates remain as last reset in the March 22, 2019 orders in the respective proceedings.
