Cancellation No. 92071411

Hemisphere GNSS, Inc.

v.

Transcend Electronic Corp

By the Trademark Trial and Appeal Board:

On September 16, 2019, Respondent filed a proposed amendment to its Registration No. 4721651, with Petitioner's consent, and Petitioner's withdrawal without prejudice of the petition to cancel, contingent upon entry of the amendment.

The proposed amendment is not verified or supported by a declaration under Trademark Rule 2.20, nor has the required fee been paid. *See* Trademark Rules 2.6 and 2.173(b), 37 C.F.R. §§ 2.6 and 2.173(b). Accordingly, the proposed amendment is **denied without prejudice**.

Respondent is allowed until **twenty days** from the mailing date of this order to submit the required fee and declaration, failing which the parties' stipulation will be given no further consideration.¹ Proceedings are otherwise **suspended**.

¹ Respondent may pay the fee and submit the required declaration through the Board's online filing system, ESTTA, by selecting: (1) "Opposition, Cancellation or Concurrent Use (general filings)" from the drop down box at the bottom of the page and inputting the proceeding

number; and (2) “Motion to Amend Registration (Requires Fee and Declaration)” under the drop down menu for “Discovery/Trial Motions.” This form is not available to Petitioner.
