Addepar, Inc.

v.

*Anaplan, Inc.*¹

Tyrone Craven, Acting Supervisory Paralegal:

A review of the record reveals that, ESTTA, the Board's electronic system, granted Respondent's consented motion to extend filed October 21, 2019, but failed to reset Respondent's time to file its answer and the deadline for the discovery conference in this proceeding.

Accordingly, the Board's electronically generated order dated October 21, 2019 is hereby **VACATED**.

¹ It is noted that Respondent's submission was filed by Julia S. Gard whom is not of record in this proceeding. In the event that Respondent has retained counsel, the Board recommends that Respondent or its legal representative enter an appearance via the Board's Electronic System for Trademark Trials and Appeals (ESTTA) (see <https://estta.uspto.gov/filing-type.jsp>). Respondent is reminded of its obligation to keep the Board apprised of its current correspondence information so that Office records may be amended accordingly.

Respondent's consented motion filed October 21, 2019 to extend time is granted as modified.² Trademark Rule 2.127(a).

Respondent's answer is due **November 20, 2019**. An answer must be filed through ESTTA, the Board's Electronic System for Trademark Trials and Appeals. See Trademark Rule 2.114(b)(1).

Generally, the Federal Rules of Evidence apply to Board trials. Trial testimony is taken and introduced out of the presence of the Board during the assigned testimony periods. The parties may stipulate to a wide variety of matters, and many requirements relevant to the trial phase of Board proceedings are set forth in

² When parties stipulate to the rescheduling of a deadline for pretrial disclosures and subsequent testimony periods or to the rescheduling of the closing date for discovery and the rescheduling of subsequent deadlines for pretrial disclosures and testimony periods, a stipulation presented in the form used in a trial order, signed by the parties, or a motion in said form signed by one party and including a statement that every other party has agreed thereto, shall be submitted to the Board through ESTTA, with the relevant dates set forth and an express statement that all parties agree to the new dates. Trademark Rule 2.121(d).

Trademark Rules 2.121 through 2.125. These include pretrial disclosures, the manner and timing of taking testimony, matters in evidence, and the procedures for submitting and serving testimony and other evidence, including affidavits, declarations, deposition transcripts and stipulated evidence. Trial briefs shall be submitted in accordance with Trademark Rules 2.128(a) and (b). TIPS FOR FILING EVIDENCE, TESTIMONY, OR LARGE DOCUMENTS

The Board requires each submission to meet the following criteria before it will be considered: 1) pages must be legible and easily read on a computer screen; 2) page orientation should be determined by its ease of viewing relevant text or evidence, for example, there should be no sideways or upside-down pages; 3) pages must appear in their proper order; 4) depositions and exhibits must be clearly labeled and numbered – use separator pages between exhibits and clearly label each exhibit using sequential letters or numbers; and 5) the entire submission should be text-searchable. Additionally, submissions must be compliant with Trademark Rules 2.119 and 2.126. Submissions failing to meet all of the criteria above may require re-filing. **Note:** Parties are strongly encouraged to check the entire document before filing.³ The Board will not extend or reset proceeding schedule dates or other deadlines to allow time to re-file documents.
