**PETITION FOR 60 day extension or suspension to file brief in reply for purpose of settlement**

Tech And Go Inc.'s Time to file a response to the present summary judgement motion which is currently set for October 19 2019.

Tech And Go Inc. respectfully requests that such date be extended or suspended for 60 days, and that any subsequent dates be reset accordingly.

Tech And Go Inc. earlier today contacted E-filliate, Inc. by way of their attorneys proposing a suspension of 60 days to discuss settlement and in order to try and find a resolution to the current dispute, and are awaiting a response from the other side.

As such, the present request of a 60 day extension or suspension is to provide an opportunity for the parties to try to find a solution, and the reason for this request is to allow the two sides sufficient time to engage in settlement discussions to try and find a solution..

The request for a 60 day extension or suspension does not prejudice or create any disadvantage to E-filiate, Inc., and it would benefit everyone to try and find an acceptable amicable resolution to the matter at hand.

Tech And Go Inc. thus respectfully requests that the present motion be granted.

**CONCLUSION**

For the above reasons, Applicant respectfully prays Board grant the current petition for an extension or suspension of 60 days.

Respectfully submitted,
