Cancellation No. 92075638

Orda USA, Inc.

v.

Asmodee North America, Inc.

**M. Catherine Faint,
Interlocutory Attorney:**

Consolidation

It has come to the Board's attention that the above-captioned proceedings involve the same parties and common questions of law and fact. Accordingly, the Board consolidates these proceedings. *See* Fed. R. Civ. P. 42(a); *see also Wise F&I, LLC, et al. v. Allstate Ins. Co.*, 120 USPQ2d 1103, 1105 (TTAB 2016) (sua sponte consolidation due to common questions of law and fact).

The consolidated cases may be presented on the same record and briefs. *See Dating DNA LLC v. Imagini Holdings Ltd.*, 94 USPQ2d 1889, 1893 (TTAB 2010).

The Board file will be maintained in Cancellation No. 92074713 as the "parent" case. As a general rule, from this point onward, only one copy of any submission should be filed herein; but that copy should include both proceeding numbers in its caption in ascending order.

Despite being consolidated, each proceeding retains its separate character. The decision on the consolidated cases shall take into account any differences in the issues raised by the respective pleading; and a copy of the decision shall be placed in each proceeding file.

Suspended for Settlement

Because the parties are negotiating for a possible settlement of this case, proceedings are **suspended** until April 25, 2021, subject to the right of either party to request resumption at any time.¹ See Trademark Rule 2.117(c).

If, during the suspension period, either of the parties or their attorneys have a change of address or email address, the Board should be so informed.²

In the event that there is no word from either party concerning the progress of their negotiations within this time, proceedings will resume on April 26, 2021, but **remain suspended** for consideration of the pending motion to strike.

¹ The parties should note that if proceedings are suspended for a lengthy period of time pursuant to the filing of several motions to suspend for settlement, the Board retains discretion to condition the approval of any future consented or stipulated motion to suspend on a party or the parties providing necessary information about the status of settlement talks, discovery activities, or trial activities, as may be appropriate. Trademark Rule 2.117(c).

² Respondent's counsel's change of correspondence address and entry of bar information, filed December 16, 2020, is noted and made of record.
