CANCELLATION NO. 92074759

Affidavit of Professional Genealogist:

Mayra Sanchez-Johnson

BEFORE ME, the under signed having authority to take oath in the State of Florida, personally appeared,  
Mayra Sanchez-Johnson, who, after first being duly sworn under oath deposes and states as follows:

1. I submit this Affidavit in support of Petitioner, Chief Troy Kerry, in his challenge against the trademark registered by Registrant in USPTO case: 92074759.
2. I am a Professional Genealogist, whose office is located at:  
1070 NW 83<sup>rd</sup> Avenue  
Plantation, FL 33322  
Website: [www.spainportugalroots.com](http://www.spainportugalroots.com) Email [m.f.sanchez@gmail.com](mailto:m.f.sanchez@gmail.com)

3. I have obtained my Masters in Spanish Genealogical and Heraldry studies with: UNED, Universidad Nacional de Educacion a Distancia, located in Madrid, Spain. The date of graduation was February 7, 2007. No discipline or grievance proceeding has been filed or is pending against me.
4. I have 38 years experience in genealogic work. I have 38 years experience in archival work. Much of this has taken place at the Family History Library of Salt City, Utah—perhaps the largest and best known genealogy-dedicated library and archive in the world. I have also worked in many archives in Spain.
5. My area of specialization and expertise is the genealogy of Spain, Portugal and former Spanish and Portuguese colonies in the New World.
6. Chief Troy Kerry and his tribal genealogist, Michelle Kerry, have forwarded to me and I have reviewed the genealogy family trees of 221 (two hundred twenty-one) Apalachee Tribal members and numerous supporting documents.
7. I have communicated with Chief Troy Kerry and Michelle Kerry by telephone and email and I interviewed them about these documents.
8. I have subjected the documents and information provided to me by Chief Troy Kerry and Michelle Kerry, to critical review. I have consulted several digital sources dedicated to Louisiana Spanish and French genealogy and I have consulted material from the corresponding libraries and archives in Spanish and French Louisiana. I have also consulted reliable third-party, public source, and genealogical works that contain information about the Apalachee Tribe of Louisiana.
9. I believe that there is an 100% probability that the 221 (two hundred twenty-one) Apalachee Tribal names reviewed by me do descend from Salomon, Apalachee who is mentioned in the 1773 census of the Apalachee Tribe which appears as the Source Citation for Salomon, the first person in the Family Tree of the Talimali Tribe.
10. The exhaustive list of 221 (two hundred twenty-one) persons studied and certified by me are attached to this affidavit as Attachment #1.

FURTHER AFFIANT SAITH NAUGHT.
