**CONSENT MOTION TO EXTEND TIME TO ANSWER**

Applicant IGT Canada Solutions ULC (“IGT”) hereby moves pursuant to Federal Rule 6(b) to extend the time to answer by 30 days, as well as extending all subsequent dates by 30 days. IGT has met and conferred with Opposer Caelum Inc., and Opposer consents to this motion and the requested extension.

The parties have previously moved to extend the time for IGT to answer. Most recently, IGT filed a consent motion to extend the time to answer on March 12, 2021. At that time, the parties were discussing potential resolution of this matter.

The parties have continued their discussions and have agreed in principle to a resolution of this matter. The present motion for an additional 30 day extension is to allow the parties to formalize their agreement and continue to bring this matter to a resolution. The parties respectfully represent that there exists good cause for this further extension.

This consent motion is not necessitated by any party’s lack of diligence or unreasonable delay. Furthermore, this consent motion is being submitted within the currently-scheduled Time to Answer.
