**Kevin G. Crennan, Interlocutory Attorney:**

On December 28, 2021, Respondent concurrently filed a consented proposed amendment to its Registration No. 4903785 (25 TTABVUE), and a consented motion to extend trial dates by thirty days (26 TTABVUE). In view of the instant order, Respondent's consented motion to extend is **moot** and will receive no further consideration.

Respondent's proposed amendment cannot be accepted and entered inasmuch as it was (1) not accompanied by the proper fee under Trademark Rule 2.6(a)(11)(ii); and (2) not verified or supported by a declaration under Trademark Rule 2.20. *See also* Trademark Rules 2.133(a), 2.173(a)-(b), (e).

Accordingly, Respondent is allowed **THIRTY (30) DAYS** from the date of this order to submit a revised proposed amendment to the recitation of services in International Class 35 of the subject registration containing the required fee and

declaration in support of the amendment, failing which said amendment will be given no further consideration.

Proceedings are otherwise **SUSPENDED**.
