v.

Wunderwerks, Inc.

Tyrone Craven, Supervisory Paralegal:

The motion (filed August 27, 2021) to suspend this proceeding pending final determination of Civil Action No. 3:21-cv-04980 filed in the United States District Court for the Northern District of California is granted as conceded.¹ See Trademark Rules 2.127(a) and 2.117(a).

Accordingly, proceedings are suspended pending final disposition of the civil action.

Within twenty days after the final determination of the civil action, the parties shall so notify the Board so that this proceeding may be called up for appropriate action.² Such notification to the Board should include a copy of any final order or final judgment which issued in the civil action.

¹ Respondent's copy of the pleadings filed September 29, 2021 is noted.

² A proceeding is considered to have been finally determined when an order or ruling that ends litigation has been rendered, and no appeal has been filed, or all appeals filed have been decided and the time for any further review has expired. See TBMP § 510.02(b).

During the suspension period, the parties must notify the Board of any address or email address changes for the parties or their attorneys. In addition, the parties are to promptly inform the Board of any other related cases, even if they become aware of such cases during the suspension period. Upon resumption, if appropriate, the Board may consolidate related Board cases.
