Public Storage

v.

Glenborough, LLC

By the Trademark Trial and Appeal Board:

On June 14, 2021, the Board issued an ordering construing Respondent's May 12, 2021 submission as its consent to entry of judgment as to Petitioner's proposed restrictions under Section 18 of the Trademark Act, 15 U.S.C. § 1068, i.e., the restriction of "public storage" to "self-storage" in the recitation of services for International Class 36 of Registration Nos. 2434540 and 2557602. (5 TTABVUE 2). To the extent Respondent did not intend for its submission to be construed as such, the Board allowed Respondent 30 days to notify the Board, failing which judgment would be entered in favor of Petitioner with respect to the wording "public storage" in the recitation of services for International Class 36 of Registration Nos. 2434540 and 2557602, and the restriction to "self-storage" therein would be entered. (*Id.* at 2–3).

Inasmuch as Respondent failed to respond to the Board's June 14, 2021 order, Respondent's consent to entry of judgment as to Petitioner's proposed restrictions under Section 18 is accepted.

Cancellation No. 92076849

Accordingly, judgment is hereby entered against Respondent, and the petition for partial cancellation is granted. Registration Nos. 2434540 and 2557602 will be restricted in due course by the Commissioner for Trademarks.
