Subject: Pro Bono application status

Dear Kimberly,

INTA is pleased to advise that you have met the eligibility requirements to participate in our Pro Bono Clearinghouse. You are currently being matched with a lawyer who will complete a conflict check to determine whether he/she can represent you in connection with your trademark matter. Assuming no conflicts exist, the lawyer will then establish an attorney-client relationship with you through an engagement letter setting forth the terms of representation.

**Once you are matched with an attorney, INTA will no longer be involved in this process. Thank you for your participation in the clearinghouse.*

Best,

Stacey
