v.

Keto Karma, Inc.

Karl Kochersperger, Paralegal Specialist:

The Board sent notice of institution of this proceeding to Respondent on June 22, 2021 using an authorized email address, but received a returned copy or notification of non-delivery in paper form.¹ See Trademark Rule 2.118.

After investigation, the Board has obtained a different possible address for Respondent, and believes that service can be effected by remailing the notice of institution to the following:

**Keto Karma, Inc.

¹ The Board encourages trademark owners to exercise due diligence in monitoring the status of their applications and registrations, and their correspondence information, online through the USPTO website and databases accessible from the website. Every party is responsible for ensuring that the Board has its current email and correspondence address. If a party fails to notify the Board of a change of address, with the result that the Board is unable to serve correspondence on the party, default judgment may be entered against the party. See TBMP § 117.07.

Generally, the Federal Rules of Evidence apply to Board trials. Trial testimony is taken and introduced out of the presence of the Board during the assigned testimony periods. The parties may stipulate to a wide variety of matters, and many requirements relevant to the trial phase of Board proceedings are set forth in Trademark Rules 2.121 through 2.125. These include pretrial disclosures, matters in evidence, the manner and timing of taking testimony, and the procedures for submitting and serving testimony and other evidence, including affidavits, declarations, deposition transcripts and stipulated evidence. Trial briefs shall be submitted in accordance with Trademark Rules 2.128(a) and (b). Oral argument at final hearing will be scheduled only upon the timely submission of a separate notice as allowed by Trademark Rule 2.129(a).

TIPS FOR FILING EVIDENCE, TESTIMONY, OR LARGE DOCUMENTS

The Board requires each submission to meet the following criteria before it will be considered: 1) pages must be legible and easily read on a computer screen; 2) page

orientation should be determined by its ease of viewing relevant text or evidence, for example, there should be no sideways or upside-down pages; 3) pages must appear in their proper order; 4) depositions and exhibits must be clearly labeled and numbered – use separator pages between exhibits and clearly label each exhibit using sequential letters or numbers; and 5) the entire submission should be text-searchable. Additionally, submissions must be compliant with Trademark Rules 2.119 and 2.126. Submissions failing to meet all of the criteria above may require re-filing. **Note:** Parties are strongly encouraged to check the entire document before filing.⁴ The Board will not extend or reset proceeding schedule dates or other deadlines to allow time to re-file documents.
