Honorable Commissioner for Trademarks
P. O. Box 1451

PETITION FOR CANCELLATION

In the matter of US Trademark Registration No. 5040314 for the mark GET 2 GO, filed January 29, 2016 and registered September 13, 2016 and US Trademark Registration No. 5040321 for the mark GET 2 GO and Design, filed January 29, 2016 and registered September 13, 2016.

Phoenix Intangibles Holding Company (“Phoenix” or “Petitioner”), a Delaware corporation having a place of business at 4005 Kennett Pike, Suite 220 Greenville, Delaware 19807, believes that it will be damaged by the registration of the marks shown in the above identified registrations for the services identified therein and hereby petitions to cancel the registration of said trademarks. The grounds for cancellation are as follows:

1. Virk Brothers, LLC, an Indiana limited liability company with an address of 6901 Endicott Dr., Fort Wayne, Indiana 46845 (“Respondent”), has secured U.S. Registration Nos.

5040314 and 5040321 for GET 2 GO and GET 2 GO and Design as trademarks for retail convenience stores in Class 35.

2. Registration Nos. 5040314 and 5040321 issued September 13, 2016 on applications filed January 29, 2016 on the basis of use in commerce, with a claimed first use in commerce date of June 2, 2011.

3. Phoenix, through its affiliated companies and licensees, including Giant Eagle, Inc. (collectively, “Phoenix”) is and has been engaged in the provision of retail store services, retail convenience store services including fuel, restaurant services, and other related services, and has built a successful business in connection therewith.

4. Since at least as early as March 2003, Phoenix has continuously used GETGO as a name and mark and as the dominant element of its names and marks for various retail convenience store services including fuel, and in connection with the sale of related goods.

5. Phoenix has taken steps to protect its GETGO trademarks and has secured the following U.S. Trademark Registrations:

Mark	Reg. No.	Reg. Date	Goods/Services
GETGO FROM GIANT EAGLE	2,814,781	2/17/04	Class 35: convenience store services including fuel
GETGO	2,927,502	2/22/05	Class 35: convenience store services, including fuel
	4,864,437	12/1/15	Class 43: Restaurant services
	4,864,242	12/1/15	Class 35: Retail convenience store services featuring convenience store items and fuel
	4,864,240	12/1/15	Class 35: Retail convenience store services featuring convenience store items and fuel
	4,864,438	12/1/15	Class 43: Restaurant services
getGo	4,766,055	6/30/15	Class 43: Restaurant services
getGo	5,037,377	9/6/16	Class 3: Windshield washing fluid

			Class 4: Motor oil Class 29: Chicken; cut fruits; cut vegetables; soups; potato chips Class 30: Sandwiches; bakery goods; pepperoni rolls; coffee; candy
	5,037,370	9/6/16	Class 29: Chicken; cut fruits; cut vegetables; soups
	5,038,064	9/6/16	Class 3: Windshield washing fluid Class 4 – Motor oil

The pertinent information about the registrations for Phoenix’s GETGO marks from the Trademark Office website showing status and title are attached as Exhibit A.

6. Phoenix has continuously used GETGO as a mark and name in connection with its business and convenience store services including fuel prior to the filing date of January 29, 2016, and prior to the claimed first use date of June 2, 2011 of Registrant’s application which matured to Registrant’s registrations which are sought to be cancelled.

7. Phoenix’s registered GETGO marks are inherently distinctive as applied to Phoenix’s convenience store services.

8. Phoenix’s GETGO names are inherently distinctive of Phoenix’s business.

9. Use of the GETGO names and marks by Phoenix has been commercially significant.

10. By virtue of Phoenix’s continuous use in commerce of its registered GETGO trademarks and its GETGO marks and names in connection with its services and business, and the nature and extent of such use, such services and business have become well and favorably known in the relevant trade and to the public under such marks and names and identify the services and business of Phoenix.

11. The marks of the registration which are the subject of this petition are likely to cause confusion with the GETGO marks and names of Phoenix.

12. Respondent's marks incorporate the whole of Phoenix's GETGO mark and name, with only the number 2 between GET and GO.

13. The marks are similar in sight, sound, and commercial impression. The addition of the "2" element does not obviate any likelihood of confusion, because the commercial impression and meaning of GETGO and GET 2 GO are the same in connection with retail convenience store services including fuel. Both GETGO and GET 2 GO imply that a purchaser can easily and quickly obtain fuel and/or make a purchase to go at the convenience store.

14. The stylization and colors of the GET 2 GO and Design mark (No. 5040321) also do not obviate any likelihood of confusion. The stylization and design are minimal. The colors red, yellow, and green are suggestive of a traffic light, and do not distinguish the commercial impression of the mark from that of Phoenix's GETGO marks, particularly because Phoenix's stylized GETGO marks also incorporate red and yellow. *See Exhibits A and B.*

15. The services provided under the marks of the registration are identical to those provided under the GETGO marks of Phoenix.

16. The services rendered by Phoenix under the GETGO marks and name and the services encompassed by the identification of goods in the registrations that are the subject of this petition are such as are marketed and sold to the same classes of customers through the same type of trade channels.

17. In the registrations which are the subject of this petition, there are no restrictions on trade channels, so it must be presumed that the services identified in the registrations will travel through all trade channels appropriate for services of that type.

18. Respondent's marks which are the subject of this petition so resemble Phoenix's GETGO marks and name as to be likely to cause confusion, or to cause mistake, or to deceive as

to its affiliation between the parties, the source of the services, and the sponsorship of Respondent's services by Phoenix.

19. Phoenix avers that it is damaged by the continued existence of Registration Nos. 5040314 and 5040321 in that the marks of such registrations are confusingly similar to its mark GETGO, previously used and registered for closely related services.

20. Purchasers and potential purchasers of convenience store services under the marks GET 2 GO and GET 2 GO and Design are likely to believe and would be justified in believing that the services rendered under such marks are provided by or in affiliation with or under license from the source of GETGO services, all to the damage of Phoenix and its reputation and its right to control its own reputation.

21. Any defect, objection to, or fault found with Respondent's services rendered under the GET 2 GO marks would reflect on and injure the reputation that Phoenix has established for its goods, services, and business.

22. If Respondent is able to maintain its registrations for the marks which are the subject of this petition, Phoenix's rights in its previously registered and previously used GETGO marks are diminished.

23. The registrations which are the subject of this petition accords a *prima facie* exclusive right to Respondent to use the marks. Such registration is a source of damage and injury to Phoenix.

WHEREFORE, Phoenix Intangibles Holding Company prays that this petition be sustained and that Registration Nos. 5040314 and 5040321 be cancelled with respect to the services in Class 35.

Respectfully submitted,

Dated: June 25, 2021
