v.

NuRepublic, Inc.

Karl Kochersperger, Paralegal Specialist:

The Board sent notice of institution of this proceeding to Respondent on August 30, 2021 using an authorized email address, but received a returned copy or notification of non-delivery in paper form.¹ Accordingly, the Board effects service by publication, and additional notice will be given by publication in the Official Gazette. See Trademark Rule 2.118.

Pending such publication, proceedings are suspended.²

¹ The Board encourages trademark owners to exercise due diligence in monitoring the status of their applications and registrations, and their correspondence information, online through the USPTO website and databases accessible from the website. Every party is responsible for ensuring that the Board has its current email and correspondence address. If a party fails to notify the Board of a change of address, with the result that the Board is unable to serve correspondence on the party, default judgment may be entered against the party. See TBMP § 117.07.
