**REGISTRANT’S MOTION TO REOPEN TIME FOR  
SERVICE OF PRETRIAL DISCLOSURES ON CONSENT**

Registrant, Dreams to Reality Foundation (“Registrant”), files this Motion to reopen the time for Respondent to serve its Amended Pretrial Disclosures on consent by counsel for Petitioner. Pursuant to the Board’s Order dated July 31, 2023, the Board noted that it would entertain a motion to reopen the time for service of the pretrial disclosures as they were served on the same date Petitioner filed its testimony with the Board.

Registrant only needs a few days to serve the Amended Pretrial Disclosures as they are ready to serve on counsel for Petitioner.

Accordingly Registrant requests that the Board enter a new scheduling order setting the deadline for Registrant to serve its Amended Pretrial Disclosures by August 8, 2023 and resetting all other deadlines accordingly.
