DECLARATION OF HELEN WONG
UNDER 37 C.F.R. §2.20

I, Helen Wong make this declaration on behalf of the Defendant, DREAMS TO REALITY FOUNDATION, in the above referenced matter. I have personal knowledge of the facts stated in this Declaration.

1. I am presently the Secretary and member of the Board of California nonprofit organization DREAMS TO REALITY FOUNDATION. Since 2007, I have volunteered with DREAMS TO REALITY FOUNDATION continuously to this date.
2. I am personally aware that the trademark DREAMS TO REALITY FOUNDATION has been in continuous use since 2007 to the present in connection with charitable foundation services which includes providing financial support and direct help to people in need such as the homeless, families, victims of crimes, veterans, youth, and others, for general relief, food, shelter, scholarships, education, and other financial, and volunteer assistance.

3. Some of my duties as a volunteer with DREAMS TO REALITY FOUNDATION include, but are not limited to, managing the DREAMS TO REALITY FOUNDATION eBay and ecommerce listings, researching donated items for sale on e-commerce sites, email support and interacting with donors, customers online as well as with vendors.
4. Since I started volunteering with DREAMS TO REALITY FOUNDATION in 2007, the initial eBay store has been the same as is shown in Exhibit A attached hereto and it has been in continuous use on eBay from 2007 to the present. As noted on the next to the last page of Exhibit A, net proceeds support DREAMS TO REALITY FOUNDATION. We use these funds to provide financial support to people in need, to feed the homeless and to donate funds to assist youth in continuing their education.

The undersigned being hereby warned that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001, and that such willful false statements and the like may jeopardize the validity of the application or document or any registration resulting therefrom, declares that all statements made of her own knowledge are true; and all statements made on information and belief are believed to be true.

and resold on ecommerce sites including eBay. Later on those sites included Etsy, Facebook, Craigslist and Shopify.

From at least 1993 to the present, I consigned merchandise to Dreams to Reality Foundation for resale and restored and repaired goods sent to me by Dreams to Reality Foundation for resale on eBay and other platforms. I am aware that these products are sold under the trademark DREAMS TO REALITY FOUNDATION and the profits are used to support the mission of the Dreams to Reality Foundation, namely, to provide assistance, food and provisions for low income families and the homeless, as well as to provide financial assistance to people in need.

As early as 1994, I became aware of Dreams to Reality Foundation's activities being mentioned on national news media including Dreams to Reality Foundation being featured on *Geraldo*, an internationally syndicated talk show hosted by Geraldo Rivera.

The undersigned being hereby warned that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001, and that such willful false statements and the like may jeopardize the validity of the application or document or any registration resulting therefrom, declares that all statements made of her own knowledge are true; and all statements made on information and belief are believed to be true.
