SANDRA GONZALEZ VS. MIVIDA JDM LLC

CANCELLATION NUMBER 92078308

EXTENSION OF TIME

MOTION:

I am asking for a motion to extend the deadline for me to reply to this trademark cancellation filed by the petitioner Sandra Gonzalez as I have several setbacks preventing me from fully responding at this time that are beyond my control. I am a disabled woman who has a minority owned and operated small business with a focus on helping community, other individuals and small businesses I would love nothing more than to move at your deadline pace and make myself available to however; At this time, not only do I have a medical condition that warrants my time be utilized according to my ability and physical limits every day, I also am in the midst of dealing with a death in my family and the need to have bereavement as well as time to handle family affairs. Unfortunately, I cannot control the time frame of this cancellation filed against my mark and its parallel time frame to the state of my personal health or family emergencies in this moment combined with an ongoing pandemic and pandemic related setbacks.

I am also on a brief medical hiatus where I am less available due to my disabilities and current state of health for medical treatments. In closing, in order to fully respond to this cancelation appropriately I require additional time. I have full intention of completing my appeal showing you that I have been consistently using my mark as intended in commerce since having it, and I retain both formal and common law rights that supersede the petitioner's timeline. I appreciate your patience, and I would like a new date deadline for replying to have a fair chance to respond and appeal and not have my disabilities taken advantage of when I require extra time. Thank you.

I hereby certify that a true and complete copy of the foregoing extension of time has been served on Ron Lazebnik by forwarding said copy on December 6th 2021 via email to Ron Lazebnik at rlazebnik@lsls.fordham.edu
