PETITION FOR CANCELLATION

1. Petitioner Public Holdings, Inc. (“Petitioner”) believes that it will be damaged by the continued registration of the above-referenced registration, and hereby petitions to cancel the same.

PARTIES AND TRADEMARK RIGHTS

2. Petitioner is a Delaware corporation with a principal place of business at 1 State Street, 10th Floor, New York, NY 10004.

3. Petitioner has valid and subsisting trademark applications, registrations, and common law rights for PUBLIC.COM in the United States and worldwide. A copy of Petitioner’s US application for PUBLIC.COM is enclosed as **Exhibit A**.

4. Petitioner has been using the PUBLIC.COM mark in connection with investment and financial trading services and downloadable software related thereto and goods/services claimed in its application (the “Petitioner’s Goods and Services”) since at least as early as September 1, 2019.

5. Petitioner has widely advertised and promoted its mobile software application goods and investment and financial trading services under its PUBLIC.COM mark. The success

and popularity of the goods and services offered under the PUBLIC.COM mark have resulted in significant and valuable unsolicited media coverage. As of 2022, Petitioner's PUBLIC.COM mobile application and related financial trading services have been downloaded and used by over one million users worldwide.

6. On November 20, 2021, the United States Patent and Trademark Office refused registration of Petitioner's application for PUBLIC.COM, Ser. No. 90614861, in part due to a claimed likelihood of confusion with Registration No. 6424795 for PUBLICS (the "Registration"). A copy of the Registration is attached as **Exhibit B**.

7. On October 22, 2020, Respondent Mr. Shilen Amin (the "Respondent") applied to register PUBLICS in the United States in connection with the following services (the "Registered Services"):

Cl 36: Leasing of land; Leasing of office space; Leasing of real property; Leasing or renting of buildings; Real estate acquisition services; Real estate agency services; Real estate appraisal; Real estate appraisal and valuation; Real estate brokerage; Real estate consultancy; Real estate consultation; Real estate equity sharing, namely, managing and arranging for co-ownership of real estate; Real estate escrow services; Real estate financing services; Real estate funds investment services; Real estate investment consultancy; Real estate investment services; Real estate investment trust advisory services; Real estate investment trust management services; Real estate investment trust services; Real estate listing; Real estate listing services for housing rentals and apartment rentals; Real estate management consultation; Real estate management of vacation homes; Real estate management services; Real estate procurement for others; Real estate rental services, namely, rental of residential housing; Real estate service, namely, rental property management; Real estate services to stop foreclosure, namely, mortgage debt management; Real estate services, namely, ad valorem appraisals; Real estate services, namely, condominium management services; Real estate services, namely, property management services for condominium associations, homeowner associations and apartment buildings; Real estate services, namely, rental of short-term furnished apartments; Real estate services, namely, rental of vacation homes; Real estate syndication; Real estate trustee services; Real estate valuations; Appraisal of real estate; Arranging of leases and rental agreements for real estate; Assessment and management of real estate; Classified real estate listings of apartment rentals and housing rentals; Commercial and residential real estate agency services; Financial and investment services, namely, asset and investment

acquisition, consultation, advisory and development; Financial consulting in the field of real estate note brokerage; Financial due diligence services in the field of real estate; Financial services, namely, real estate note brokerage; Financial valuation of personal property and real estate; Financing of real estate development projects; Investment services, namely, asset acquisition, consultation, development and management services; Land leasing; Land acquisition, namely, real estate brokerage; Lease of real estate; Leasing of real estate; Providing real estate listings and real estate information via the Internet; Providing real estate listings via the Internet; Providing information in the field of real estate; Providing information in the field of real estate by means of linking the web site to other web sites featuring real estate information; Providing information in the field of real estate via the Internet; Real estate services, namely, rental, brokerage, leasing and management of commercial property, offices and office space; Rental of real estate; Residential real estate agency services; Vacation real estate time share exchange services; Valuations in real estate matters.

8. The Registration was filed on a use in commerce basis under Lanham Act 1(a) alleging a first use date of September 18, 1998 and first use in commerce date of July 27, 2001.

9. The Registration was registered on July 20, 2021.

First Ground for Cancellation
(Fraud (15 U.S.C. § 1064(3)))

10. Petitioner realleges and incorporates the preceding allegations in this Petition for Cancellation.

11. On October 22, 2020, Respondent, having no bona fide use of the PUBLICS mark in commerce, knowingly made a false and fraudulent statement in the application wherein it falsely claimed “The mark is in use in commerce and was in use in commerce as of the filing date of the application on or in connection with the goods/services in the application.”

12. Respondent knowingly did not actually and legally use the PUBLICS mark in US commerce for the Registered Services.

13. The false and fraudulent declaration referred to above with respect to the PUBLICS mark was made by Respondent with actual knowledge of its falsity, and was not made on

information and belief and was made by a person who knew or should have known the same was false and fraudulent.

14. Respondent knowingly made a false, material misrepresentation of fact in connection with the registration of the PUBLICS mark when it made the false and fraudulent declaration referred to above.

15. The false and fraudulent declaration referred to above with respect to the PUBLICS mark was made with the intent to deceive the USPTO and that the USPTO rely upon the same.

16. The USPTO relied on the false and fraudulent declaration when it acknowledged the filing of the application for the PUBLICS mark, allowed the PUBLICS mark to publish, and registered the PUBLICS mark.

17. As a result, Respondent willfully and knowingly perpetrated a fraud on the USPTO.

18. On information and belief, at the time Respondent filed the application for the PUBLICS mark on October 22, 2020, Respondent knew or acted in a reckless disregard of the truth as to Respondent's right to use the PUBLICS mark in commerce because such claims were false or misleading with an intent to deceive the USPTO and were material statements.

19. Among other things, Respondent submitted a fraudulent and doctored specimen that included false contact information to falsify use of the PUBLICS mark, and signed declarations either knowing they were false or with reckless disregard to their veracity with the explicit intent that the USPTO believe and materially rely upon these declarations to allow the PUBLICS mark to register.

20. Respondent is not entitled to the Registration because Respondent never had any legitimate interest in the PUBLICS mark, never made bona fide use of the PUBLICS mark in US

commerce, and knowingly committed fraud when it filed the application for the PUBLICS mark with the intent to deceive the USPTO.

21. Had it been aware of the false and fraudulent declaration referred to above and Respondent's fraudulent acts, the USPTO would not have allowed the registration of the PUBLICS mark.

Second Ground for Cancellation
(No use of Mark in Commerce Before Application (15 U.S.C. § 1041(a)))

22. Petitioner realleges and incorporates the preceding allegations in this Petition for Cancellation.

23. Respondent was not using the PUBLICS mark in commerce in connection with any of its Registered Services on and/or since September 18, 1998 and/or July 27, 2001, the dates of Respondent's purported first use dates.

24. Respondent was not using the PUBLICS mark in commerce in connection with any of its Registered Services on October 22, 2020, the filing date of Respondent's Registration which was filed on a use in commerce basis under Lanham Act 1(a).

25. Thus, Respondent's Registration is void ab initio as there was no bona fide use of Respondent's mark in commerce in connection with any of its Registered Services prior to the filing of its use-based application for the Registration under Trademark Act § 1(a), 15 U.S.C. § 1051(a).

Third Ground for Cancellation
(Likelihood of Confusion (15 U.S.C. § 1052(d)))

26. Petitioner realleges and incorporates the preceding allegations in this Petition for Cancellation.

27. Petitioner's trademark rights in and to the PUBLIC.COM mark are senior to any trademark rights that Respondent may allege to have in the PUBLICS mark because Petitioner owns common law trademark rights to the PUBLIC.COM mark that predate the filing date of the Registration.

28. Petitioner's trademark rights are senior to any rights that Respondent may allege to have in the PUBLICS mark because Respondent did not use the PUBLICS mark in US commerce for the Registered Services before the filing date of Petitioner's Application.

29. Petitioner's trademark rights are senior to any rights that Respondent may allege to have in the PUBLICS mark because Petitioner's PUBLIC.COM mark was used continuously in commerce before Respondent alleges to have begun using the PUBLICS mark for the Registered Services since Respondent never actually used the PUBLICS mark in US commerce and Respondent's alleged dates of first use are, therefore, not accurate. Petitioner's common law trademark rights in and to its PUBLIC.COM mark, therefore, enjoy priority over any trademark rights that Respondent may allege to own in the PUBLICS mark.

30. Respondent's PUBLICS mark and Petitioner's PUBLIC.COM mark share the identical term PUBLIC and are therefore confusingly similar in appearance, sound, and commercial impression.

31. Respondent's Registered Services are nearly identical and/or highly similar to Petitioner's Goods and Services given both encompass identical investment related goods and/or services.

32. Respondent had constructive knowledge and, on information and belief, actual knowledge, of Petitioner's trademark rights in and to its PUBLIC.COM mark before it filed the application for the subject Registration.

33. The continued registration of Respondent's Registration in connection with its Registered Services is likely to cause confusion or mistake, to deceive, or to create the false impression that Respondent's Registered Services are provided by, related to, endorsed by, or associated with Petitioner, and will otherwise cause injury to Petitioner and to Petitioner's rights in its PUBLIC.COM mark, in violation of Lanham Act §2(d), 15 U.S.C. 1052, with consequent damage to Petitioner and the public.

WHEREFORE, Petitioner respectfully requests that this Petition for Cancellation be sustained, and that the Registration be cancelled.

Dated: May 20, 2022

Respectfully submitted,

/Phillip L. Kim/
