vs.)	
)	
DONGGUAN ZHICHEN RUBBER)	
PRODUCTS CO., LTD.,)	
)	
Respondent.)	

Petitioner, ROADGET BUSINESS PTE, LTD. (“ROADGET BUSINESS” or “Petitioner”) believes that it is, and will continue to be, damaged by Registration No. 5,122,844 on the Principal Register for the PETSINC mark (the “Respondent’s Mark”) owned by Respondent, DONGGUAN ZHICHEN RUBBER PRODUCTS CO., LTD. (“DONGGUAN ZHICHEN” or “Respondent”), and hereby petitions to cancel the same. The grounds for cancellation are as follows:

- ACTIVE 66319538v3

- a. “Saddlery; Whips; Animal apparel; Animal carriers; Animal wraps and covers; Collars for animals; Collars for pets bearing medical information; Harnesses for animals; Leads for animals; Pet clothing; Pet hair bows” in International Class 18;
- b. “Hutches; Beds for household pets; Crate covers for pets; Kennels for household pets; Nesting boxes for animals; Nesting boxes for household pets; Non-metal pet tags; Non-metal safety gates for babies, children, and pets; Pet crates; Pet cushions; Pet furniture; Pet furniture in the nature of cat trees, cat condos; Pet grooming tables; Playhouses for pets; Portable beds for pets” in International Class 20;
- c. “Animal grooming gloves; Automatic litter boxes for pets; Brushes for pets; Cages for pets; Cages for carrying pets; Cages for household pets; Deshedding brushes for pets; Deshedding combs for pets; Electric pet brushes; Feeding vessels for pets; Indoor terrariums for animals or insects; Litter boxes for pets; Litter trays for pets; Mangers for animals; Non-mechanized pet waterers in the nature of portable water and fluid dispensers for pets; Pet drinking bowls; Pet feeding and drinking bowls; Scoops for the disposal of pet waste; Toothbrushes for pets; Baskets of wicker, wood, cloth for household purposes” in Class 21; and
- d. “Pet toys; Sports training apparatus, namely, ball launchers for pets” in International Class 28.

(the “Petitioner’s Goods”). Attached as **Exhibit A** are true and correct copies of the TSDR records for the foregoing applications.

3. Upon information and belief, DONGGUAN ZHICHEN is a limited liability company organized in China with an address of XINGDE ROAD,DONGKENG TOWN, RM 301,BLDG 2,NO. 23,DONGKENG SECTION, DONGGUAN,GUANGDONG CHINA 523000.

4. Upon information and belief, Lei Bo, a Chinese individual with the address of RM208A, Wuye 2F, ShenZhenBeiZhanXi Plaza A1, ZhiYuan Zhong Road, LongHua New District, ShenZhen, GuangDong, China, 518000 (the “Previous Owner of Respondent’s Mark”), applied to register the Respondent’s Mark for the following goods pursuant to Section 1(a) of the Lanham Act, 15 U.S.C. § 1051(a) on May 20, 2016 (the “Application Filing Date”), which was accorded US Serial No. 87/044,797 (the “Respondent’s Application”):

- a. “Animal claws; Beds for household pets; Comb foundations for beehives; Crate covers for pets; Dog kennels; Kennels for household pets; Nesting boxes for animals; Nesting boxes for household pets; Pet ramp; Pet caskets; Pet crates; Pet cushions; Pet furniture; Pillows for household pets; Scratching posts for cats; Sections of wood for beehives; Bottle racks; Plate racks” in Class 20; and
- b. “Animal activated animal feeders; Animal activated livestock feeders; Animal activated livestock waterers; Brushes for pets; Cages for household pets; Cages for household pets; Cages for pets; Drinking troughs; Feeding vessels for pets; Feeding troughs; Household storage containers for pet food; Litter boxes for pets; Mangers for animals; Pet feeding and drinking bowls” in Class 21.

(the “Respondent’s Goods”).

5. The Respondent’s Application for the Respondent’s Goods contains the sworn statement that “the applicant is the owner of the trademark/service mark sought to be registered; the applicant is using the mark in commerce on or in connection with the goods/services in the application; the specimen(s) shows the mark as used on or in connection with the goods/services in the application.” Attached as **Exhibit B** is a true and correct copy of the foregoing application.

6. Upon information and belief, the Respondent's Mark for the Respondent's Goods was registered on January 17, 2017 in the name of the Previous Owner of Respondent's Mark. Attached as **Exhibit C** is a true and correct copy of the foregoing Certificate of Registration.

7. Upon information and belief, an assignment was recorded for the Respondent's Mark from the Previous Owner of Respondent's Mark to Respondent on August 11, 2020 with the execution date of July 9, 2020. Attached as **Exhibit D** is a true and correct copy of the foregoing assignment.

8. Upon information and belief, Respondent currently owns U.S. Reg. No. 5,122,844 registered on the Principal Register for the Respondent's Mark for the Respondent's Goods. Attached as **Exhibit E** is a true and correct copy of the TSDR record for the foregoing registration.

9. On May 14, 2021, ROADGET BUSINESS applied to register the Petitioner's Mark for the Petitioner's Goods pursuant to Section 1(a) of the Lanham Act, 15 U.S.C. § 1051(a). Attached as **Exhibit A** is true and correct copies of the TSDR records for the foregoing applications.

10. On January 23, 2022, the Examining Attorney issued Office Actions refusing to register the Petitioner's Mark based on likelihood of confusion by citing prior registrations, including the Respondent's Mark for the Respondent's Goods. Attached as **Exhibit F** is true and correct copies of the foregoing Office Actions.

Count I: Non-Use

11. ROADGET BUSINESS restates and incorporates by reference the preceding allegations.

12. The Respondent's Application for the Respondent's Goods claims use and use in commerce of the Respondents Mark for the Respondent's Goods as of December 6, 2014 pursuant to Section 1(a) of the Lanham Act, 15 U.S.C. § 1051(a) accompanied by the following statements:

- a. "In International Class 020, the mark was first used by the applicant or the applicant's related company or licensee predecessor in interest at least as early as 12/06/2014, and first used in commerce at least as early as 12/06/2014, and is now in use in such commerce. The applicant is submitting one(or more) specimen(s) showing the mark as used in commerce on or in connection with any item in the class of listed goods/services, consisting of a(n) the sample includes the scratching post with logo on its package;" and
- b. "In International Class 021, the mark was first used by the applicant or the applicant's related company or licensee predecessor in interest at least as early as 12/06/2014, and first used in commerce at least as early as 12/06/2014, and is now in use in such commerce. The applicant is submitting one(or more) specimen(s) showing the mark as used in commerce on or in connection with any item in the class of listed goods/services, consisting of a(n) The sample includes the brush for pets with logo on it."

Attached as **Exhibit B** is a true and correct copy of the foregoing application.

13. The Respondent's Application for the Respondent's Goods contains the sworn statement that "the applicant is the owner of the trademark/service mark sought to be registered;

the applicant is using the mark in commerce on or in connection with the goods/services in the application; the specimen(s) shows the mark as used on or in connection with the goods/services in the application.” Attached as **Exhibit B** is a true and correct copy of the foregoing application.

14. In support of the claim of use in commerce of the Respondent’s Mark in the Respondent’s Application, specimens were submitted with descriptions of “the sample includes the scratching post with logo on its package” and “the sample includes the brush for pets with logo on it” (the “Specimens of Record”). Attached as **Exhibit G** is true and correct copies of the foregoing specimens submitted by the Previous Owner of Respondent’s Mark.

15. Upon information and belief, the Specimens of Record for the Respondent’s Mark were digitally created or otherwise fabricated to display Respondent’s Mark on the goods.

16. Upon information and belief, the identical or nearly identical photographs of the Specimens of Record are used to display different third-party marks based on the Petitioner’s reasonable investigation as shown below and attached as **Exhibit H**, which are true and correct copies of the printouts from webpages showing the identical or nearly identical photographs with different third-party marks.

- a. Identical or Nearly Identical Photographs as Specimens of Record for “Scratching posts for cats” in Class 20
 - i. https://www.amazon.com/Catit-Scratcher-with-Catnip-Wide/dp/B0032GEE8S?source=ps-sl-shoppingads-lpcontext&ref_=fplfs&psc=1&smid=ATVPDKIKX0DER
 - ii. https://www.chewy.com/catit-scratcher-catnip/dp/49885?utm_source=google-product&utm_medium=organic&utm_campaign=%7Bcampaignid%7D&utm_content=Catit&utm_term=%7Bkeyword%7D
 - iii. https://www.chewy.com/catit-scratcher-catnip/dp/49886?utm_source=google-product&utm_medium=organic&utm_campaign=%7Bcampaignid%7D&utm_content=Catit&utm_term=%7Bkeyword%7D
- b. Identical or Nearly Identical Photographs as Specimens of Record for “Brushes for pets” in Class 21
 - i. <https://www.walmart.com/ip/Wahl-Pet-Slicker-Brush-Small/291079503>

ii. <https://www.bigdweb.com/product/wahl+slicker+dog+brush.do>

17. Even if the Specimens of Record for the Respondent's Mark were not digitally created or otherwise fabricated, upon information and belief, the goods pictured in the Specimens of Record with the Respondent's Mark were not sold or transported in U.S. interstate commerce, in the ordinary course of trade, as of December 6, 2014 and/or the Application Filing Date.

18. On information and belief, the Previous Owner of Respondent's Mark and/or Respondent is not selling or shipping any of Respondent's Goods bearing the Respondent's Mark in the United States.

19. On information and belief, for at least the past three years, the Previous Owner of Respondent's Mark and/or Respondent has not used the Respondent's Mark in United States commerce in the ordinary course of trade in connection with Respondent's Goods.

20. On information and belief, the Previous Owner of Respondent's Mark and/or Respondent never used the Respondent's Mark in United States commerce in connection with Respondent's Goods.

21. On information and belief, and based on the Petitioner's reasonable investigation, the Previous Owner of Respondent's Mark and/or Respondent had not used the Respondent's Mark in U.S. interstate commerce for at least some of the Respondent's Goods in Classes 20 and 21 as of December 6, 2014 and/or the Application Filing Date, including at least for "Scratching posts for cats" in Class 20 and "Brushes for pets" in Class 21.

22. Because there was no *bona fide* use in commerce of the Respondent's Mark by the Previous Owner of Respondent's Mark and/or Respondent for at least some of the Respondent's Goods in Classes 20 and 21 before the Respondent's Application was filed, the Registration is

void *ab initio* and it should be cancelled for non-use with respect to at least for “Scratching posts for cats” in Class 20 and “Brushes for pets” in Class 21.

Count II: Fraud

23. ROADGET BUSINESS restates and incorporates by reference the preceding allegations.

24. The Respondent’s Application for the Respondent’s Goods claims use and use in commerce of the Respondents Mark for the Respondent’s Goods as of December 6, 2014. Attached as **Exhibit B** is a true and correct copy of the foregoing application.

25. The Respondent’s Application for the Respondent’s Goods contains the sworn statement that “the applicant is the owner of the trademark/service mark sought to be registered; the applicant is using the mark in commerce on or in connection with the goods/services in the application; the specimen(s) shows the mark as used on or in connection with the goods/services in the application.” The Respondent’s Application also contains a standard declaration as to the truth of the statements in the Respondent’s Application. Attached as **Exhibit B** is a true and correct copy of the foregoing application.

26. Upon information and belief, the Previous Owner of Respondent’s Mark and/or Respondent was not and did not have any reason to believe that (a) it was the owner of the Respondent’s Mark; (b) it was using the mark in commerce on or in connection with the Respondent’s Goods in the Respondent’s Application; and (c) the Specimens of Record for the Respondent’s Mark show the Respondent’s Mark as used on or in connection with the Respondent’s Goods as of December 6, 2014 and/or the Application Filing Date.

27. Upon information and belief, other third-parties owned and were entitled to the photographs that were submitted as the Specimens of Record, because the identical or nearly identical photographs as the Specimens of Record were and still are used to display different third-party marks based on the Petitioner's reasonable investigation as attached as **Exhibit H**, which are true and correct copies of the printouts from webpages showing the identical or nearly identical photographs with different third-party marks.

28. Upon information and belief, the Previous Owner of Respondent's Mark and/or Respondent made false statements as to its ownership, use and entitlement to use of the Respondent's Mark with the intent to procure a registration to which the Previous Owner of Respondent's Mark and/or Respondent was not entitled.

29. Upon information and belief, false statements by the Previous Owner of Respondent's Mark and/or Respondent were made knowingly. The Previous Owner of Respondent's Mark and/or Respondent made knowing false statements as to its ownership, use and entitlement to use of the Respondent's Mark with the intent to procure a registration to which the Previous Owner of Respondent's Mark and/or Respondent was not entitled.

Count III: Invalid Registration- No Ownership, Use and Entitlement to Use

30. ROADGET BUSINESS restates and incorporates by reference the preceding allegations.

31. The Respondent's Application was filed, approved and registered based solely on the Previous Owner of Respondent's Mark and/or Respondent's alleged ownership, use and entitlement to use of the Respondent's Mark in connection with Respondent's Goods. Upon information and belief, the Previous Owner of Respondent's Mark and/or Respondent did not have

such ownership, use and entitlement to use at any time prior to or on December 6, 2014 and/or the Application Filing Date. Thus, the Respondent's Mark is void and invalid for lack of the Previous Owner of Respondent's Mark and/or Respondent's ownership, use and entitlement to use of the Respondent's Mark in connection with Respondent's Goods.

WHEREFORE, Petitioner requests that the Trademark Trial and Appeal Board:

1. Sustain this Petition for Cancellation;
2. Order the cancellation of U.S. Registration No. 5,122,844; and
3. Grant Petitioner any further relief the Board deems equitable.

Date: July 21, 2022

Respectfully submitted,

GREENBERG TRAURIG, LLP

+8613425110551(phone)

brand.register@foxmail.com; hehu_911@163.com (authorized)

E-mail Authorization: I authorize the USPTO to send e-mail correspondence concerning the application to the applicant or applicant's attorney at the e-mail address provided above. I understand that a valid e-mail address must be maintained and that the applicant or the applicant's attorney must file the relevant subsequent application-related submissions via the Trademark Electronic Application System (TEAS). Failure to do so will result in an additional processing fee of \$50 per international class of goods/services.

A fee payment in the amount of \$450 has been submitted with the application, representing payment for 2 class(es).

Declaration

The signatory believes that: if the applicant is filing the application under 15 U.S.C. § 1051(a), the applicant is the owner of the trademark/service mark sought to be registered; the applicant is using the mark in commerce on or in connection with the goods/services in the application; the specimen(s) shows the mark as used on or in connection with the goods/services in the application; and/or if the applicant filed an application under 15 U.S.C. § 1051(b), § 1126(d), and/or § 1126(e), the applicant has a bona fide intention, and is entitled, to use the mark in commerce on or in connection with the goods/services in the application. The signatory believes that to the best of the signatory's knowledge and belief, no other persons, except, if applicable, concurrent users, have the right to use the mark in commerce, either in the identical form or in such near resemblance as to be likely, when used on or in connection with the goods/services of such other persons, to cause confusion or mistake, or to deceive. The signatory being warned that willful false statements and the like are punishable by fine or imprisonment, or both, under 18 U.S.C. § 1001, and that such willful false statements and the like may jeopardize the validity of the application or any registration resulting therefrom, declares that all statements made of his/her own knowledge are true and all statements made on information and belief are believed to be true.

REQUIREMENTS TO MAINTAIN YOUR FEDERAL TRADEMARK REGISTRATION

WARNING: YOUR REGISTRATION WILL BE CANCELLED IF YOU DO NOT FILE THE DOCUMENTS BELOW DURING THE SPECIFIED TIME PERIODS.

Requirements in the First Ten Years*

What and When to File:

- **First Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) between the 5th and 6th years after the registration date. See 15 U.S.C. §§1058, 1141k. If the declaration is accepted, the registration will continue in force for the remainder of the ten-year period, calculated from the registration date, unless cancelled by an order of the Commissioner for Trademarks or a federal court.
- **Second Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between the 9th and 10th years after the registration date.* See 15 U.S.C. §1059.

Requirements in Successive Ten-Year Periods*

What and When to File:

- You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between every 9th and 10th-year period, calculated from the registration date.*

Grace Period Filings*

The above documents will be accepted as timely if filed within six months after the deadlines listed above with the payment of an additional fee.

***ATTENTION MADRID PROTOCOL REGISTRANTS:** The holder of an international registration with an extension of protection to the United States under the Madrid Protocol must timely file the Declarations of Use (or Excusable Nonuse) referenced above directly with the United States Patent and Trademark Office (USPTO). The time periods for filing are based on the U.S. registration date (not the international registration date). The deadlines and grace periods for the Declarations of Use (or Excusable Nonuse) are identical to those for nationally issued registrations. See 15 U.S.C. §§1058, 1141k. However, owners of international registrations do not file renewal applications at the USPTO. Instead, the holder must file a renewal of the underlying international registration at the International Bureau of the World Intellectual Property Organization, under Article 7 of the Madrid Protocol, before the expiration of each ten-year term of protection, calculated from the date of the international registration. See 15 U.S.C. §1141j. For more information and renewal forms for the international registration, see <http://www.wipo.int/madrid/en/>.

NOTE: Fees and requirements for maintaining registrations are subject to change. Please check the USPTO website for further information. With the exception of renewal applications for registered extensions of protection, you can file the registration maintenance documents referenced above online at <http://www.uspto.gov>.

NOTE: A courtesy e-mail reminder of USPTO maintenance filing deadlines will be sent to trademark owners/holders who authorize e-mail communication and maintain a current e-mail address with the USPTO. To ensure that e-mail is authorized and your address is current, please use the Trademark Electronic Application System (TEAS) Correspondence Address and Change of Owner Address Forms available at <http://www.uspto.gov>.

**United States Patent and Trademark Office (USPTO)
Office Action (Official Letter) About Applicant's Trademark Application**

U.S. Application Serial No. 90712765

Mark: PETSIN

Correspondence Address:

MICHAEL P. ADAMS
DYKEMA GOSSETT PLLC
ONE CONGRESS PLAZA
111 CONGRESS AVENUE, SUITE 1800
AUSTIN TX 78701 UNITED STATES

Applicant: Topfashion Business Co., Limited

Reference/Docket No. 120059-04

Correspondence Email Address: madams@dykema.com

NONFINAL OFFICE ACTION

The USPTO must receive applicant's response to this letter within six months of the issue date below or the application will be abandoned. Respond using the Trademark Electronic Application System (TEAS). A link to the appropriate TEAS response form appears at the end of this Office action.

Issue date: January 23, 2022

Introduction:

The referenced application has been reviewed by the assigned trademark examining attorney. Applicant must respond timely and completely to the issues below. 15 U.S.C. §1062(b); 37 C.F.R. §§2.62(a), 2.65(a); TMEP §§711, 718.03.

Summary of Issues:

- Section 2(d) Refusal — Likelihood of Confusion.

Section 2(d) Refusal – Likelihood of Confusion:

Registration of the applied-for mark is refused because of a likelihood of confusion with the marks in U.S. Registration Nos. 5122844 and 5943914. Trademark Act Section 2(d), 15 U.S.C. §1052(d); *see* TMEP §§1207.01 *et seq.* See the attached registrations.

Trademark Act Section 2(d) bars registration of an applied-for mark that is so similar to a registered mark that it is likely consumers would be confused, mistaken, or deceived as to the commercial source of the goods of the parties. *See* 15 U.S.C. §1052(d). Likelihood of confusion is determined on a case-by-case basis by applying the factors set forth in *In re E. I. du Pont de Nemours & Co.*, 476 F.2d 1357, 1361, 177 USPQ 563, 567 (C.C.P.A. 1973) (called the “*du Pont* factors”). *In re i.am.symbolic, llc*, 866 F.3d 1315, 1322, 123 USPQ2d 1744, 1747 (Fed. Cir. 2017). Any evidence of record related to those factors need be considered; however, “not all of the *DuPont* factors are relevant or of similar weight in every case.” *In re Guild Mortg. Co.*, 912 F.3d 1376, 1379, 129 USPQ2d 1160, 1162 (Fed. Cir. 2019) (quoting *In re Dixie Rests., Inc.*, 105 F.3d 1405, 1406, 41 USPQ2d 1531, 1533 (Fed. Cir. 1997)).

Although not all *du Pont* factors may be relevant, there are generally two key considerations in any likelihood of confusion analysis: (1) the similarities between the compared marks and (2) the relatedness of the compared goods. *See In re i.am.symbolic, llc*, 866 F.3d at 1322, 123 USPQ2d at 1747 (quoting *Herbko Int’l, Inc. v. Kappa Books, Inc.*, 308 F.3d 1156, 1164-65, 64 USPQ2d 1375, 1380 (Fed. Cir. 2002)); *Federated Foods, Inc. v. Fort Howard Paper Co.*, 544 F.2d 1098, 1103, 192 USPQ 24, 29 (C.C.P.A. 1976) (“The fundamental inquiry mandated by [Section] 2(d) goes to the cumulative effect of differences in the essential characteristics of the goods and differences in the marks.”); TMEP §1207.01.

The applied-for mark is “**PETSIN**” (standard characters) for “Saddlery; Whips; Animal apparel; Animal carriers; Animal wraps and covers; Collars for animals; Collars for pets bearing medical information; Harnesses for animals; Leads for animals; Pet clothing; Pet hair bows” in International Class 018.

The mark under Registration No. 5122844 is “**PETSINC**” (standard characters) for “Animal claws; Beds for household pets; Comb foundations for beehives; Crate covers for pets; Dog kennels; Kennels for household pets; Nesting boxes for animals; Nesting boxes for household pets; Pet ramp; Pet caskets; Pet crates; Pet cushions; Pet furniture; Pillows for household pets; Scratching posts for cats; Sections of wood for beehives; Bottle racks; Plate racks” in International Class 020 and “Animal activated animal feeders; Animal activated livestock feeders; Animal activated livestock waterers; Brushes for pets; Cages for household pets; Cages for household pets; Cages for pets; Drinking troughs; Feeding vessels for pets; Feeding troughs; Household storage containers for pet food; Litter boxes for pets; Mangers for animals; Pet feeding and drinking bowls” in International Class 021.

The mark under Registration No. 5943914 is “**PETSINN**” (standard characters) for “Coats; Dresses; Gloves; Hats; Hoodies; Jackets; Jerseys; Pajamas; Pyjamas; Raincoats; Scarfs; Shirts; Shoes; Skirts; Socks; Sweaters; Denim jackets; Fleece jackets; Fur jackets; Fur coats and jackets; Knit dresses; Knit shirts; Knit skirts; Long jackets; Outer jackets; Rain hats; Rainproof jackets; Shell jackets; Sport coats; Sports jackets; Sports jerseys; Sports shirts; T-shirts; Turtleneck sweaters; Wind coats; Wind resistant jackets; Wind-jackets; Woven skirts” in International Class 025.

Similarity of the Marks:

Marks are compared in their entireties for similarities in appearance, sound, connotation, and commercial impression. *Stone Lion Capital Partners, LP v. Lion Capital LLP*, 746 F.3d 1317, 1321, 110 USPQ2d 1157, 1160 (Fed. Cir. 2014) (quoting *Palm Bay Imps., Inc. v. Veuve Clicquot Ponsardin Maison Fondee En 1772*, 396 F.3d 1369, 1371, 73 USPQ2d 1689, 1691 (Fed. Cir. 2005)); TMEP §1207.01(b)-(b)(v). “Similarity in any one of these elements may be sufficient to find the marks confusingly similar.” *In re Inn at St. John’s, LLC*, 126 USPQ2d 1742, 1746 (TTAB 2018) (citing *In re Davia*, 110 USPQ2d 1810, 1812 (TTAB 2014)), *aff’d per curiam*, 777 F. App’x 516, 2019 BL 343921 (Fed. Cir. 2019); TMEP §1207.01(b).

In this case, applicant’s mark is “**PETSIN**” (standard characters) and registrants’ marks are “**PETSINC**” (standard characters) and “**PETSINN**” (standard characters). Thus, applicant’s mark and registrant’s mark share the highly similar wording **PETSIN / PETSINC / PETSINN**. The terms **PETSIN / PETSINN** only differ by a few letters and are otherwise phonetic equivalents. The marks are essentially phonetic equivalents and thus sound similar. Similarity in sound alone may be sufficient to support a finding that the compared marks are confusingly similar. *In re 1st USA Realty Prof’ls, Inc.*, 84 USPQ2d 1581, 1586 (TTAB 2007) (citing *Krim-Ko Corp. v. Coca-Cola Bottling Co.*, 390 F.2d 728, 732, 156 USPQ 523, 526 (C.C.P.A. 1968)); TMEP §1207.01(b)(iv).

Furthermore, although applicant’s mark does not contain the entirety of the registered mark, “**PETSINC**” (standard characters), applicant’s mark is likely to appear to prospective purchasers as a shortened form of registrant’s mark. See *In re Mighty Leaf Tea*, 601 F.3d 1342, 1348, 94 USPQ2d 1257, 1260 (Fed. Cir. 2010) (quoting *United States Shoe Corp.*, 229 USPQ 707, 709 (TTAB 1985)). Thus, merely omitting some of the wording from a registered mark may not overcome a likelihood of confusion. See *In re Mighty Leaf Tea*, 601 F.3d 1342, 94 USPQ2d 1257; *In re Optica Int’l*, 196 USPQ 775, 778 (TTAB 1977); TMEP §1207.01(b)(ii)-(iii). In this case, applicant’s mark does not create a distinct commercial impression from the registered mark because it contains some of the wording in the registered mark and does not add any wording that would distinguish it from that mark.

Accordingly, the marks in their entireties are considered similar for likelihood of confusion purposes.

Relatedness of the Goods:

The goods are compared to determine whether they are similar, commercially related, or travel in the same trade channels. See *Coach Servs., Inc. v. Triumph Learning LLC*, 668 F.3d 1356, 1369-71, 101 USPQ2d 1713, 1722-23 (Fed. Cir. 2012); *Herbko Int’l, Inc. v. Kappa Books, Inc.*, 308 F.3d 1156, 1165, 64 USPQ2d 1375, 1381 (Fed. Cir. 2002); TMEP §§1207.01, 1207.01(a)(vi).

The compared goods need not be identical or even competitive to find a likelihood of confusion. See *On-line Careline Inc. v. Am. Online Inc.*, 229 F.3d 1080, 1086, 56 USPQ2d 1471, 1475 (Fed. Cir. 2000); *Recot, Inc. v. Becton*, 214 F.3d 1322, 1329, 54 USPQ2d 1894, 1898 (Fed. Cir. 2000); TMEP §1207.01(a)(i). They need only be “related in some manner and/or if the circumstances surrounding their marketing are such that they could give rise to the mistaken belief that [the goods] emanate from the same source.” *Coach Servs., Inc. v. Triumph Learning LLC*, 668 F.3d 1356, 1369, 101 USPQ2d 1713, 1722 (Fed. Cir. 2012) (quoting *7-Eleven Inc. v. Wechsler*, 83 USPQ2d 1715, 1724 (TTAB 2007)); TMEP §1207.01(a)(i).

Further, determining likelihood of confusion is based on the description of the goods stated in the application and registration at issue, not on extrinsic evidence of actual use. See *In re Detroit Athletic*

Co., 903 F.3d 1297, 1307, 128 USPQ2d 1047, 1052 (Fed. Cir. 2018) (citing *In re i.am.symbolic, llc*, 866 F.3d 1315, 1325, 123 USPQ2d 1744, 1749 (Fed. Cir. 2017)).

The attached Internet evidence, consisting of third party retailers providing pet gear and clothing such as Aerie, H&M, and Old Navy establishes that the same entity commonly manufactures, produces, or provides the relevant goods and markets the goods under the same mark. Thus, applicant's and registrant's goods are considered related for likelihood of confusion purposes. *See, e.g., In re Davey Prods. Pty Ltd.*, 92 USPQ2d 1198, 1202-04 (TTAB 2009); *In re Toshiba Med. Sys. Corp.*, 91 USPQ2d 1266, 1268-69, 1271-72 (TTAB 2009).

Conclusion:

In summary, the marks are confusingly similar and the goods are related. Accordingly, purchasers are likely to be confused as to the source of the goods. Thus, registration is refused pursuant to Section 2(d) of the Trademark Act.

Although applicant's mark has been refused registration, applicant may respond to the refusal by submitting evidence and arguments in support of registration.

Response Guidelines:

For this application to proceed, applicant must explicitly address each refusal and/or requirement in this Office action. For a refusal, applicant may provide written arguments and evidence against the refusal, and may have other response options if specified above. For a requirement, applicant should set forth the changes or statements. Please see "[Responding to Office Actions](#)" and the informational [video "Response to Office Action"](#) for more information and tips on responding.

Assistance or Response Options:

Please call or email the assigned trademark examining attorney with questions about this Office action. Although an examining attorney cannot provide legal advice, the examining attorney can provide additional explanation about the refusal(s) and/or requirement(s) in this Office action. *See* TMEP §§705.02, 709.06.

The USPTO does not accept emails as responses to Office actions; however, emails can be used for informal communications and are included in the application record. *See* 37 C.F.R. §§2.62(c), 2.191; TMEP §§304.01-.02, 709.04-.05.

United States Patent and Trademark Office (USPTO)

USPTO OFFICIAL NOTICE

Office Action (Official Letter) has issued
on January 23, 2022 for
U.S. Trademark Application Serial No. 90712765

A USPTO examining attorney has reviewed your trademark application and issued an Office action. You must respond to this Office action in order to avoid your application abandoning. Follow the steps below.

- (1) **Read the Office action [HERE](#).** This email is NOT the Office action.
- (2) **Respond to the Office action by the deadline** using the Trademark Electronic Application System (TEAS). Your response must be received by the USPTO on or before 11:59 p.m. **Eastern Time** of the last day of the response period. Otherwise, your application will be [abandoned](#). See the Office action itself regarding how to respond.
- (3) **Direct general questions** about using USPTO electronic forms, the USPTO [website](#), the application process, the status of your application, and whether there are outstanding deadlines to the [Trademark Assistance Center \(TAC\)](#).

After reading the Office action, address any question(s) regarding the specific content to the USPTO examining attorney identified in the Office action.

GENERAL GUIDANCE

- **[Check the status](#) of your application periodically** in the [Trademark Status & Document Retrieval \(TSDR\)](#) database to avoid missing critical deadlines.
- **[Update your correspondence email address](#)** to ensure you receive important USPTO notices about your application.
- **[Beware of misleading notices sent by private companies about your application.](#)** Private companies not associated with the USPTO may mail or email you trademark-related offers and notices - most of which require fees. The USPTO will only email **official USPTO correspondence from the domain "@uspto.gov"**.
- **[Hiring a U.S.-licensed attorney.](#)** If you do not have an attorney and are not required to have one under the trademark rules, we encourage you to hire a U.S.-licensed attorney specializing in trademark law to help guide you through the registration process. The

USPTO examining attorney identified above is not your attorney and cannot give you legal advice, but rather works for and represents the USPTO in trademark matters.

**United States Patent and Trademark Office (USPTO)
Office Action (Official Letter) About Applicant's Trademark Application**

U.S. Application Serial No. 90712778

Mark: PETSIN

Correspondence Address:

MICHAEL P. ADAMS
DYKEMA GOSSETT PLLC
ONE CONGRESS PLAZA
111 CONGRESS AVENUE, SUITE 1800
AUSTIN TX 78701 UNITED STATES

Applicant: Topfashion Business Co., Limited

Reference/Docket No. 120059-05

Correspondence Email Address: madams@dykema.com

NONFINAL OFFICE ACTION

The USPTO must receive applicant's response to this letter within six months of the issue date below or the application will be abandoned. Respond using the Trademark Electronic Application System (TEAS). A link to the appropriate TEAS response form appears at the end of this Office action.

Issue date: January 23, 2022

Introduction:

The referenced application has been reviewed by the assigned trademark examining attorney. Applicant must respond timely and completely to the issues below. 15 U.S.C. §1062(b); 37 C.F.R. §§2.62(a), 2.65(a); TMEP §§711, 718.03.

Summary of Issues:

- Section 2(d) Refusal — Likelihood of Confusion.

Section 2(d) Refusal – Likelihood of Confusion:

Registration of the applied-for mark is refused because of a likelihood of confusion with the marks in U.S. Registration No. 5122844. Trademark Act Section 2(d), 15 U.S.C. §1052(d); *see* TMEP §§1207.01 *et seq.* See the attached registration.

Trademark Act Section 2(d) bars registration of an applied-for mark that is so similar to a registered mark that it is likely consumers would be confused, mistaken, or deceived as to the commercial source of the goods of the parties. *See* 15 U.S.C. §1052(d). Likelihood of confusion is determined on a case-by-case basis by applying the factors set forth in *In re E. I. du Pont de Nemours & Co.*, 476 F.2d 1357, 1361, 177 USPQ 563, 567 (C.C.P.A. 1973) (called the “*du Pont* factors”). *In re i.am.symbolic, llc*, 866 F.3d 1315, 1322, 123 USPQ2d 1744, 1747 (Fed. Cir. 2017). Any evidence of record related to those factors need be considered; however, “not all of the *DuPont* factors are relevant or of similar weight in every case.” *In re Guild Mortg. Co.*, 912 F.3d 1376, 1379, 129 USPQ2d 1160, 1162 (Fed. Cir. 2019) (quoting *In re Dixie Rests., Inc.*, 105 F.3d 1405, 1406, 41 USPQ2d 1531, 1533 (Fed. Cir. 1997)).

Although not all *du Pont* factors may be relevant, there are generally two key considerations in any likelihood of confusion analysis: (1) the similarities between the compared marks and (2) the relatedness of the compared goods. *See In re i.am.symbolic, llc*, 866 F.3d at 1322, 123 USPQ2d at 1747 (quoting *Herbko Int’l, Inc. v. Kappa Books, Inc.*, 308 F.3d 1156, 1164-65, 64 USPQ2d 1375, 1380 (Fed. Cir. 2002)); *Federated Foods, Inc. v. Fort Howard Paper Co.*, 544 F.2d 1098, 1103, 192 USPQ 24, 29 (C.C.P.A. 1976) (“The fundamental inquiry mandated by [Section] 2(d) goes to the cumulative effect of differences in the essential characteristics of the goods and differences in the marks.”); TMEP §1207.01.

The applied-for mark is “**PETSIN**” (standard characters) for “Hutches; Beds for household pets; Crate covers for pets; Kennels for household pets; Nesting boxes for animals; Nesting boxes for household pets; Non-metal pet tags; Non-metal safety gates for babies, children, and pets; Pet crates; Pet cushions; Pet furniture; Pet furniture in the nature of cat trees, cat condos; Pet grooming tables; Playhouses for pets; Portable beds for pets Hutches; Beds for household pets; Crate covers for pets; Kennels for household pets; Nesting boxes for animals; Nesting boxes for household pets; Non-metal pet tags; Non-metal safety gates for babies, children, and pets; Pet crates; Pet cushions; Pet furniture; Pet furniture in the nature of cat trees, cat condos; Pet grooming tables; Playhouses for pets; Portable beds for pets ” in International Class 020.

The mark under Registration No. 5122844 is “**PETSINC**” (standard characters) for “Animal claws; Beds for household pets; Comb foundations for beehives; Crate covers for pets; Dog kennels; Kennels for household pets; Nesting boxes for animals; Nesting boxes for household pets; Pet ramp; Pet caskets; Pet crates; Pet cushions; Pet furniture; Pillows for household pets; Scratching posts for cats; Sections of wood for beehives; Bottle racks; Plate racks” in International Class 020 and “Animal activated animal feeders; Animal activated livestock feeders; Animal activated livestock waterers; Brushes for pets; Cages for household pets; Cages for household pets; Cages for pets; Drinking troughs; Feeding vessels for pets; Feeding troughs; Household storage containers for pet food; Litter boxes for pets; Mangers for animals; Pet feeding and drinking bowls” in International Class 021.

Similarity of the Marks:

Marks are compared in their entirety for similarities in appearance, sound, connotation, and

commercial impression. *Stone Lion Capital Partners, LP v. Lion Capital LLP*, 746 F.3d 1317, 1321, 110 USPQ2d 1157, 1160 (Fed. Cir. 2014) (quoting *Palm Bay Imps., Inc. v. Veuve Clicquot Ponsardin Maison Fondee En 1772*, 396 F.3d 1369, 1371, 73 USPQ2d 1689, 1691 (Fed. Cir. 2005)); TMEP §1207.01(b)-(b)(v). “Similarity in any one of these elements may be sufficient to find the marks confusingly similar.” *In re Inn at St. John’s, LLC*, 126 USPQ2d 1742, 1746 (TTAB 2018) (citing *In re Davia*, 110 USPQ2d 1810, 1812 (TTAB 2014)), *aff’d per curiam*, 777 F. App’x 516, 2019 BL 343921 (Fed. Cir. 2019); TMEP §1207.01(b).

In this case, applicant’s mark is “**PETSIN**” (standard characters) and registrant’s mark is “**PETSINC**” (standard characters). Thus, applicant’s mark and registrant’s mark share the highly similar wording **PETSIN / PETSINC**. Although applicant’s mark does not contain the entirety of the registered mark, “**PETSINC**” (standard characters), applicant’s mark is likely to appear to prospective purchasers as a shortened form of registrant’s mark. *See In re Mighty Leaf Tea*, 601 F.3d 1342, 1348, 94 USPQ2d 1257, 1260 (Fed. Cir. 2010) (quoting *United States Shoe Corp.*, 229 USPQ 707, 709 (TTAB 1985)). Thus, merely omitting some of the wording from a registered mark may not overcome a likelihood of confusion. *See In re Mighty Leaf Tea*, 601 F.3d 1342, 94 USPQ2d 1257; *In re Optica Int’l*, 196 USPQ 775, 778 (TTAB 1977); TMEP §1207.01(b)(ii)-(iii). In this case, applicant’s mark does not create a distinct commercial impression from the registered mark because it contains some of the wording in the registered mark and does not add any wording that would distinguish it from that mark.

Accordingly, the marks in their entireties are considered similar for likelihood of confusion purposes.

Relatedness of the Goods:

The goods are compared to determine whether they are similar, commercially related, or travel in the same trade channels. *See Coach Servs., Inc. v. Triumph Learning LLC*, 668 F.3d 1356, 1369-71, 101 USPQ2d 1713, 1722-23 (Fed. Cir. 2012); *Herbko Int’l, Inc. v. Kappa Books, Inc.*, 308 F.3d 1156, 1165, 64 USPQ2d 1375, 1381 (Fed. Cir. 2002); TMEP §§1207.01, 1207.01(a)(vi).

The compared goods need not be identical or even competitive to find a likelihood of confusion. *See On-line Careline Inc. v. Am. Online Inc.*, 229 F.3d 1080, 1086, 56 USPQ2d 1471, 1475 (Fed. Cir. 2000); *Recot, Inc. v. Becton*, 214 F.3d 1322, 1329, 54 USPQ2d 1894, 1898 (Fed. Cir. 2000); TMEP §1207.01(a)(i). They need only be “related in some manner and/or if the circumstances surrounding their marketing are such that they could give rise to the mistaken belief that [the goods] emanate from the same source.” *Coach Servs., Inc. v. Triumph Learning LLC*, 668 F.3d 1356, 1369, 101 USPQ2d 1713, 1722 (Fed. Cir. 2012) (quoting *7-Eleven Inc. v. Wechsler*, 83 USPQ2d 1715, 1724 (TTAB 2007)); TMEP §1207.01(a)(i).

Further, determining likelihood of confusion is based on the description of the goods stated in the application and registration at issue, not on extrinsic evidence of actual use. *See In re Detroit Athletic Co.*, 903 F.3d 1297, 1307, 128 USPQ2d 1047, 1052 (Fed. Cir. 2018) (citing *In re i.am.symbolic, llc*, 866 F.3d 1315, 1325, 123 USPQ2d 1744, 1749 (Fed. Cir. 2017)).

The attached Internet evidence, consisting of third party retailers providing pet gear and toys such as Harry Barker, Furrplay, and Barkley and Pearl, establishes that the same entity commonly manufactures, produces, or provides the relevant goods and markets the goods under the same mark. Thus, applicant’s and registrant’s goods are considered related for likelihood of confusion purposes. *See, e.g., In re Davey Prods. Pty Ltd.*, 92 USPQ2d 1198, 1202-04 (TTAB 2009); *In re Toshiba Med. Sys. Corp.*, 91 USPQ2d 1266, 1268-69, 1271-72 (TTAB 2009).

Conclusion:

In summary, the marks are confusingly similar and the goods are related. Accordingly, purchasers are likely to be confused as to the source of the goods. Thus, registration is refused pursuant to Section 2(d) of the Trademark Act.

Although applicant's mark has been refused registration, applicant may respond to the refusal by submitting evidence and arguments in support of registration.

Response Guidelines:

For this application to proceed, applicant must explicitly address each refusal and/or requirement in this Office action. For a refusal, applicant may provide written arguments and evidence against the refusal, and may have other response options if specified above. For a requirement, applicant should set forth the changes or statements. Please see "[Responding to Office Actions](#)" and the informational [video "Response to Office Action"](#) for more information and tips on responding.

Assistance or Response Options:

Please call or email the assigned trademark examining attorney with questions about this Office action. Although an examining attorney cannot provide legal advice, the examining attorney can provide additional explanation about the refusal(s) and/or requirement(s) in this Office action. *See* TMEP §§705.02, 709.06.

The USPTO does not accept emails as responses to Office actions; however, emails can be used for informal communications and are included in the application record. *See* 37 C.F.R. §§2.62(c), 2.191; TMEP §§304.01-.02, 709.04-.05.

NONFINAL OFFICE ACTION

The USPTO must receive applicant's response to this letter within six months of the issue date below or the application will be abandoned. Respond using the Trademark Electronic Application System (TEAS). A link to the appropriate TEAS response form appears at the end of this Office action.

Issue date: January 23, 2022

Introduction:

The referenced application has been reviewed by the assigned trademark examining attorney. Applicant must respond timely and completely to the issues below. 15 U.S.C. §1062(b); 37 C.F.R. §§2.62(a), 2.65(a); TMEP §§711, 718.03.

Summary of Issues:

- Section 2(d) Refusal — Likelihood of Confusion.

Section 2(d) Refusal – Likelihood of Confusion:

Registration of the applied-for mark is refused because of a likelihood of confusion with the marks in U.S. Registration No. 5122844. Trademark Act Section 2(d), 15 U.S.C. §1052(d); *see* TMEP §§1207.01 *et seq.* See the attached registration.

Trademark Act Section 2(d) bars registration of an applied-for mark that is so similar to a registered mark that it is likely consumers would be confused, mistaken, or deceived as to the commercial source of the goods of the parties. *See* 15 U.S.C. §1052(d). Likelihood of confusion is determined on a case-by-case basis by applying the factors set forth in *In re E. I. du Pont de Nemours & Co.*, 476 F.2d 1357, 1361, 177 USPQ 563, 567 (C.C.P.A. 1973) (called the “*du Pont* factors”). *In re i.am.symbolic, llc*, 866 F.3d 1315, 1322, 123 USPQ2d 1744, 1747 (Fed. Cir. 2017). Any evidence of record related to those factors need be considered; however, “not all of the *DuPont* factors are relevant or of similar weight in every case.” *In re Guild Mortg. Co.*, 912 F.3d 1376, 1379, 129 USPQ2d 1160, 1162 (Fed. Cir. 2019) (quoting *In re Dixie Rests., Inc.*, 105 F.3d 1405, 1406, 41 USPQ2d 1531, 1533 (Fed. Cir. 1997)).

Although not all *du Pont* factors may be relevant, there are generally two key considerations in any likelihood of confusion analysis: (1) the similarities between the compared marks and (2) the relatedness of the compared goods. *See In re i.am.symbolic, llc*, 866 F.3d at 1322, 123 USPQ2d at 1747 (quoting *Herbko Int’l, Inc. v. Kappa Books, Inc.*, 308 F.3d 1156, 1164-65, 64 USPQ2d 1375, 1380 (Fed. Cir. 2002)); *Federated Foods, Inc. v. Fort Howard Paper Co.*, 544 F.2d 1098, 1103, 192 USPQ 24, 29 (C.C.P.A. 1976) (“The fundamental inquiry mandated by [Section] 2(d) goes to the cumulative effect of differences in the essential characteristics of the goods and differences in the marks.”); TMEP §1207.01.

The applied-for mark is “**PETSIN**” (standard characters) for “Animal grooming gloves; Automatic litter boxes for pets; Brushes for pets; Cages for pets; Cages for carrying pets; Cages for household pets; Deshedding brushes for pets; Deshedding combs for pets; Electric pet brushes; Feeding vessels for pets; Indoor terrariums for animals or insects; Litter boxes for pets; Litter trays for pets; Mangers for animals; Non-mechanized pet waterers in the nature of portable water and fluid dispensers for pets; Pet drinking bowls; Pet feeding and drinking bowls; Scoops for the disposal of pet waste; Toothbrushes for pets; Baskets of wicker, wood, cloth for household purposes ” in International Class 021.

The mark under Registration No. 5122844 is “**PETSINC**” (standard characters) for “Animal claws; Beds for household pets; Comb foundations for beehives; Crate covers for pets; Dog kennels; Kennels for household pets; Nesting boxes for animals; Nesting boxes for household pets; Pet ramp; Pet caskets; Pet crates; Pet cushions; Pet furniture; Pillows for household pets; Scratching posts for cats; Sections of wood for beehives; Bottle racks; Plate racks” in International Class 020 and “Animal activated animal feeders; Animal activated livestock feeders; Animal activated livestock waterers; Brushes for pets; Cages for household pets; Cages for household pets; Cages for pets; Drinking troughs; Feeding vessels for pets; Feeding troughs; Household storage containers for pet food; Litter boxes for pets; Mangers for animals; Pet feeding and drinking bowls” in International Class 021.

Similarity of the Marks:

Marks are compared in their entirety for similarities in appearance, sound, connotation, and commercial impression. *Stone Lion Capital Partners, LP v. Lion Capital LLP*, 746 F.3d 1317, 1321, 110 USPQ2d 1157, 1160 (Fed. Cir. 2014) (quoting *Palm Bay Imps., Inc. v. Veuve Clicquot Ponsardin*

Maison Fondée En 1772, 396 F.3d 1369, 1371, 73 USPQ2d 1689, 1691 (Fed. Cir. 2005)); TMEP §1207.01(b)-(b)(v). “Similarity in any one of these elements may be sufficient to find the marks confusingly similar.” *In re Inn at St. John’s, LLC*, 126 USPQ2d 1742, 1746 (TTAB 2018) (citing *In re Davia*, 110 USPQ2d 1810, 1812 (TTAB 2014)), *aff’d per curiam*, 777 F. App’x 516, 2019 BL 343921 (Fed. Cir. 2019); TMEP §1207.01(b).

In this case, applicant’s mark is “**PETSIN**” (standard characters) and registrant’s mark is “**PETSINC**” (standard characters). Thus, applicant’s mark and registrant’s mark share the highly similar wording **PETSIN / PETSINC**. Although applicant’s mark does not contain the entirety of the registered mark, “**PETSINC**” (standard characters), applicant’s mark is likely to appear to prospective purchasers as a shortened form of registrant’s mark. *See In re Mighty Leaf Tea*, 601 F.3d 1342, 1348, 94 USPQ2d 1257, 1260 (Fed. Cir. 2010) (quoting *United States Shoe Corp.*, 229 USPQ 707, 709 (TTAB 1985)). Thus, merely omitting some of the wording from a registered mark may not overcome a likelihood of confusion. *See In re Mighty Leaf Tea*, 601 F.3d 1342, 94 USPQ2d 1257; *In re Optica Int’l*, 196 USPQ 775, 778 (TTAB 1977); TMEP §1207.01(b)(ii)-(iii). In this case, applicant’s mark does not create a distinct commercial impression from the registered mark because it contains some of the wording in the registered mark and does not add any wording that would distinguish it from that mark.

Accordingly, the marks in their entireties are considered similar for likelihood of confusion purposes.

Relatedness of the Goods:

The goods are compared to determine whether they are similar, commercially related, or travel in the same trade channels. *See Coach Servs., Inc. v. Triumph Learning LLC*, 668 F.3d 1356, 1369-71, 101 USPQ2d 1713, 1722-23 (Fed. Cir. 2012); *Herbko Int’l, Inc. v. Kappa Books, Inc.*, 308 F.3d 1156, 1165, 64 USPQ2d 1375, 1381 (Fed. Cir. 2002); TMEP §§1207.01, 1207.01(a)(vi).

The compared goods need not be identical or even competitive to find a likelihood of confusion. *See On-line Careline Inc. v. Am. Online Inc.*, 229 F.3d 1080, 1086, 56 USPQ2d 1471, 1475 (Fed. Cir. 2000); *Recot, Inc. v. Becton*, 214 F.3d 1322, 1329, 54 USPQ2d 1894, 1898 (Fed. Cir. 2000); TMEP §1207.01(a)(i). They need only be “related in some manner and/or if the circumstances surrounding their marketing are such that they could give rise to the mistaken belief that [the goods] emanate from the same source.” *Coach Servs., Inc. v. Triumph Learning LLC*, 668 F.3d 1356, 1369, 101 USPQ2d 1713, 1722 (Fed. Cir. 2012) (quoting *7-Eleven Inc. v. Wechsler*, 83 USPQ2d 1715, 1724 (TTAB 2007)); TMEP §1207.01(a)(i).

Further, determining likelihood of confusion is based on the description of the goods stated in the application and registration at issue, not on extrinsic evidence of actual use. *See In re Detroit Athletic Co.*, 903 F.3d 1297, 1307, 128 USPQ2d 1047, 1052 (Fed. Cir. 2018) (citing *In re i.am.symbolic, llc*, 866 F.3d 1315, 1325, 123 USPQ2d 1744, 1749 (Fed. Cir. 2017)).

The attached Internet evidence, consisting of third party retailers providing pet gear and toys such as Harry Barker, Furrplay, and Barkley and Pearl, establishes that the same entity commonly manufactures, produces, or provides the relevant goods and markets the goods under the same mark. Thus, applicant’s and registrant’s goods are considered related for likelihood of confusion purposes. *See, e.g., In re Davey Prods. Pty Ltd.*, 92 USPQ2d 1198, 1202-04 (TTAB 2009); *In re Toshiba Med. Sys. Corp.*, 91 USPQ2d 1266, 1268-69, 1271-72 (TTAB 2009).

Conclusion:

In summary, the marks are confusingly similar and the goods are related. Accordingly, purchasers are likely to be confused as to the source of the goods. Thus, registration is refused pursuant to Section 2(d) of the Trademark Act.

Although applicant's mark has been refused registration, applicant may respond to the refusal by submitting evidence and arguments in support of registration.

Response Guidelines:

For this application to proceed, applicant must explicitly address each refusal and/or requirement in this Office action. For a refusal, applicant may provide written arguments and evidence against the refusal, and may have other response options if specified above. For a requirement, applicant should set forth the changes or statements. Please see "[Responding to Office Actions](#)" and the informational [video "Response to Office Action"](#) for more information and tips on responding.

Assistance or Response Options:

Please call or email the assigned trademark examining attorney with questions about this Office action. Although an examining attorney cannot provide legal advice, the examining attorney can provide additional explanation about the refusal(s) and/or requirement(s) in this Office action. *See* TMEP §§705.02, 709.06.

The USPTO does not accept emails as responses to Office actions; however, emails can be used for informal communications and are included in the application record. *See* 37 C.F.R. §§2.62(c), 2.191; TMEP §§304.01-.02, 709.04-.05.

United States Patent and Trademark Office (USPTO)

USPTO OFFICIAL NOTICE

Office Action (Official Letter) has issued
on January 23, 2022 for
U.S. Trademark Application Serial No. 90712792

A USPTO examining attorney has reviewed your trademark application and issued an Office action. You must respond to this Office action in order to avoid your application abandoning. Follow the steps below.

- (1) **Read the Office action [HERE](#).** This email is NOT the Office action.
- (2) **Respond to the Office action by the deadline** using the Trademark Electronic Application System (TEAS). Your response must be received by the USPTO on or before 11:59 p.m. **Eastern Time** of the last day of the response period. Otherwise, your application will be [abandoned](#). See the Office action itself regarding how to respond.
- (3) **Direct general questions** about using USPTO electronic forms, the USPTO [website](#), the application process, the status of your application, and whether there are outstanding deadlines to the [Trademark Assistance Center \(TAC\)](#).

After reading the Office action, address any question(s) regarding the specific content to the USPTO examining attorney identified in the Office action.

GENERAL GUIDANCE

- **[Check the status](#) of your application periodically** in the [Trademark Status & Document Retrieval \(TSDR\)](#) database to avoid missing critical deadlines.
- **[Update your correspondence email address](#)** to ensure you receive important USPTO notices about your application.
- **[Beware of misleading notices sent by private companies about your application.](#)** Private companies not associated with the USPTO may mail or email you trademark-related offers and notices - most of which require fees. The USPTO will only email **official USPTO correspondence from the domain "@uspto.gov"**.
- **[Hiring a U.S.-licensed attorney.](#)** If you do not have an attorney and are not required to have one under the trademark rules, we encourage you to hire a U.S.-licensed attorney specializing in trademark law to help guide you through the registration process. The

USPTO examining attorney identified above is not your attorney and cannot give you legal advice, but rather works for and represents the USPTO in trademark matters.

Correspondence Email Address: madams@dykema.com

NONFINAL OFFICE ACTION

The USPTO must receive applicant's response to this letter within six months of the issue date below or the application will be abandoned. Respond using the Trademark Electronic Application System (TEAS). A link to the appropriate TEAS response form appears at the end of this Office action.

Issue date: January 23, 2022

Introduction:

The referenced application has been reviewed by the assigned trademark examining attorney. Applicant must respond timely and completely to the issues below. 15 U.S.C. §1062(b); 37 C.F.R. §§2.62(a), 2.65(a); TMEP §§711, 718.03.

Summary of Issues:

- Section 2(d) Refusal — Likelihood of Confusion.

Section 2(d) Refusal – Likelihood of Confusion:

Registration of the applied-for mark is refused because of a likelihood of confusion with the marks in U.S. Registration No. 5122844. Trademark Act Section 2(d), 15 U.S.C. §1052(d); *see* TMEP §§1207.01 *et seq.* See the attached registration.

Trademark Act Section 2(d) bars registration of an applied-for mark that is so similar to a registered mark that it is likely consumers would be confused, mistaken, or deceived as to the commercial source of the goods of the parties. *See* 15 U.S.C. §1052(d). Likelihood of confusion is determined on a case-by-case basis by applying the factors set forth in *In re E. I. du Pont de Nemours & Co.*, 476 F.2d 1357, 1361, 177 USPQ 563, 567 (C.C.P.A. 1973) (called the “*du Pont* factors”). *In re i.am.symbolic, llc*, 866 F.3d 1315, 1322, 123 USPQ2d 1744, 1747 (Fed. Cir. 2017). Any evidence of record related to those factors need be considered; however, “not all of the *DuPont* factors are relevant or of similar weight in every case.” *In re Guild Mortg. Co.*, 912 F.3d 1376, 1379, 129 USPQ2d 1160, 1162 (Fed. Cir. 2019) (quoting *In re Dixie Rests., Inc.*, 105 F.3d 1405, 1406, 41 USPQ2d 1531, 1533 (Fed. Cir. 1997)).

Although not all *du Pont* factors may be relevant, there are generally two key considerations in any likelihood of confusion analysis: (1) the similarities between the compared marks and (2) the relatedness of the compared goods. *See In re i.am.symbolic, llc*, 866 F.3d at 1322, 123 USPQ2d at 1747 (quoting *Herbko Int’l, Inc. v. Kappa Books, Inc.*, 308 F.3d 1156, 1164-65, 64 USPQ2d 1375, 1380 (Fed. Cir. 2002)); *Federated Foods, Inc. v. Fort Howard Paper Co.*, 544 F.2d 1098, 1103, 192 USPQ 24, 29 (C.C.P.A. 1976) (“The fundamental inquiry mandated by [Section] 2(d) goes to the cumulative effect of differences in the essential characteristics of the goods and differences in the marks.”); TMEP §1207.01.

The applied-for mark is “**PETSIN**” (standard characters) for “Pet toys; Sports training apparatus, namely, ball launchers for pets ” in International Class 028.

The mark under Registration No. 5122844 is “**PETSINC**” (standard characters) for “Animal claws; Beds for household pets; Comb foundations for beehives; Crate covers for pets; Dog kennels; Kennels for household pets; Nesting boxes for animals; Nesting boxes for household pets; Pet ramp; Pet caskets; Pet crates; Pet cushions; Pet furniture; Pillows for household pets; Scratching posts for cats; Sections of wood for beehives; Bottle racks; Plate racks” in International Class 020 and “Animal activated animal feeders; Animal activated livestock feeders; Animal activated livestock waterers; Brushes for pets; Cages for household pets; Cages for household pets; Cages for pets; Drinking troughs; Feeding vessels for pets; Feeding troughs; Household storage containers for pet food; Litter boxes for pets; Mangers for animals; Pet feeding and drinking bowls” in International Class 021.

Similarity of the Marks:

Marks are compared in their entireties for similarities in appearance, sound, connotation, and commercial impression. *Stone Lion Capital Partners, LP v. Lion Capital LLP*, 746 F.3d 1317, 1321, 110 USPQ2d 1157, 1160 (Fed. Cir. 2014) (quoting *Palm Bay Imps., Inc. v. Veuve Clicquot Ponsardin Maison Fondee En 1772*, 396 F.3d 1369, 1371, 73 USPQ2d 1689, 1691 (Fed. Cir. 2005)); TMEP §1207.01(b)-(b)(v). “Similarity in any one of these elements may be sufficient to find the marks confusingly similar.” *In re Inn at St. John’s, LLC*, 126 USPQ2d 1742, 1746 (TTAB 2018) (citing *In re Davia*, 110 USPQ2d 1810, 1812 (TTAB 2014)), *aff’d per curiam*, 777 F. App’x 516, 2019 BL 343921 (Fed. Cir. 2019); TMEP §1207.01(b).

In this case, applicant's mark is "**PETSIN**" (standard characters) and registrant's marks is "**PETSINC**" (standard characters). Thus, applicant's mark and registrant's mark share the highly similar wording **PETSIN / PETSINC**. Although applicant's mark does not contain the entirety of the registered mark, "**PETSINC**" (standard characters), applicant's mark is likely to appear to prospective purchasers as a shortened form of registrant's mark. *See In re Mighty Leaf Tea*, 601 F.3d 1342, 1348, 94 USPQ2d 1257, 1260 (Fed. Cir. 2010) (quoting *United States Shoe Corp.*, 229 USPQ 707, 709 (TTAB 1985)). Thus, merely omitting some of the wording from a registered mark may not overcome a likelihood of confusion. *See In re Mighty Leaf Tea*, 601 F.3d 1342, 94 USPQ2d 1257; *In re Optica Int'l*, 196 USPQ 775, 778 (TTAB 1977); TMEP §1207.01(b)(ii)-(iii). In this case, applicant's mark does not create a distinct commercial impression from the registered mark because it contains some of the wording in the registered mark and does not add any wording that would distinguish it from that mark.

Accordingly, the marks in their entireties are considered similar for likelihood of confusion purposes.

Relatedness of the Goods:

The goods are compared to determine whether they are similar, commercially related, or travel in the same trade channels. *See Coach Servs., Inc. v. Triumph Learning LLC*, 668 F.3d 1356, 1369-71, 101 USPQ2d 1713, 1722-23 (Fed. Cir. 2012); *Herbko Int'l, Inc. v. Kappa Books, Inc.*, 308 F.3d 1156, 1165, 64 USPQ2d 1375, 1381 (Fed. Cir. 2002); TMEP §§1207.01, 1207.01(a)(vi).

The compared goods need not be identical or even competitive to find a likelihood of confusion. *See On-line Careline Inc. v. Am. Online Inc.*, 229 F.3d 1080, 1086, 56 USPQ2d 1471, 1475 (Fed. Cir. 2000); *Recot, Inc. v. Becton*, 214 F.3d 1322, 1329, 54 USPQ2d 1894, 1898 (Fed. Cir. 2000); TMEP §1207.01(a)(i). They need only be "related in some manner and/or if the circumstances surrounding their marketing are such that they could give rise to the mistaken belief that [the goods] emanate from the same source." *Coach Servs., Inc. v. Triumph Learning LLC*, 668 F.3d 1356, 1369, 101 USPQ2d 1713, 1722 (Fed. Cir. 2012) (quoting *7-Eleven Inc. v. Wechsler*, 83 USPQ2d 1715, 1724 (TTAB 2007)); TMEP §1207.01(a)(i).

Further, determining likelihood of confusion is based on the description of the goods stated in the application and registration at issue, not on extrinsic evidence of actual use. *See In re Detroit Athletic Co.*, 903 F.3d 1297, 1307, 128 USPQ2d 1047, 1052 (Fed. Cir. 2018) (citing *In re i.am.symbolic, llc*, 866 F.3d 1315, 1325, 123 USPQ2d 1744, 1749 (Fed. Cir. 2017)).

The attached Internet evidence, consisting of third party retailers providing pet gear and toys such as Ruffwear, Genuine Dog Gear, and Rocky Mountain Dog, establishes that the same entity commonly manufactures, produces, or provides the relevant goods and markets the goods under the same mark. Thus, applicant's and registrant's goods are considered related for likelihood of confusion purposes. *See, e.g., In re Davey Prods. Pty Ltd.*, 92 USPQ2d 1198, 1202-04 (TTAB 2009); *In re Toshiba Med. Sys. Corp.*, 91 USPQ2d 1266, 1268-69, 1271-72 (TTAB 2009).

Conclusion:

In summary, the marks are confusingly similar and the goods are related. Accordingly, purchasers are likely to be confused as to the source of the goods. Thus, registration is refused pursuant to Section 2(d) of the Trademark Act.

Although applicant's mark has been refused registration, applicant may respond to the refusal by submitting evidence and arguments in support of registration.

Response Guidelines:

For this application to proceed, applicant must explicitly address each refusal and/or requirement in this Office action. For a refusal, applicant may provide written arguments and evidence against the refusal, and may have other response options if specified above. For a requirement, applicant should set forth the changes or statements. Please see "[Responding to Office Actions](#)" and the informational [video "Response to Office Action"](#) for more information and tips on responding.

Assistance or Response Options:

Please call or email the assigned trademark examining attorney with questions about this Office action. Although an examining attorney cannot provide legal advice, the examining attorney can provide additional explanation about the refusal(s) and/or requirement(s) in this Office action. *See* TMEP §§705.02, 709.06.

The USPTO does not accept emails as responses to Office actions; however, emails can be used for informal communications and are included in the application record. *See* 37 C.F.R. §§2.62(c), 2.191; TMEP §§304.01-.02, 709.04-.05.

Our range of litter boxes is comfortably spacious for all cat breeds, and is delightfully easy to set up and clean.
- Toys & Scratchers**

Fun interactive toys that stimulate your cat to play, corrugated cardboard scratchers to help your cat unwind, and everything in between!

Product Description

Combining contemporary shapes with stylish patterns, the Catit Style Cat Scratch Board, Wide Cat Bench is a modern twist on conventional cat scratchers. The cat scratcher cardboard provides your cat with a corrugated scratching surface and provides a new place for your cat to scratch instead of your furniture. A cat's need to cat scratch is instinctive and is important for cats' health; it helps them to sharpen and remove the dead outer layer of their claws, stretch and flex their bodies and work off energy. Catit is focused on creating cat enrichment toys and activities for all cats especially indoor cats. Cat toys for indoor cats should encourage a cat's natural foraging and hunting behaviors. The Catit product lines have created a wide variety of cat toys with this in mind. To complete your cat supplies pair this item with some of the other Catit products including cat trees, cat brushes, cat beds, cat towers, cat litter, cat food, cat water fountains, cat treats and more.

waw

★★★★★ Durable cat scratcher with fresh catnip for a better price than at specialty pet stores

Reviewed in the United States on April 11, 2016

Style: Wide | Verified Purchase

My cats adore these. If I don't keep them around, my furniture and stariway carpet fall victim. They are perfect because they come with catnip, so the cats are attracted to the scratcher.

The catnip comes in a little sealed baggie, not yet applied to the scratcher. That way you can use some immediately and some to freshen up it's attractiveness later. Also, I found the catnip to be super fresh. Sometimes freshness can be an issue - I find with stale catnip my cats are far, far less frisky with it. But the catnip that come with this scratcher was great.

After it's been around awhile of course, damage was done based on how much my cats use it. But I found the quality to be good enough that even with heavy scratching, it didn't fall apart as quickly as I expected.

The price on amazon beats the price for similar products that I've bought from Petco and Petsmart and the quality is absolutely comparable. This is a must have around my house, and I'd highly recommend.

 Kit Cav

★★★★★ **Great! Would recommend**

Reviewed in the United States on November 13, 2016

Style: Wide | [Verified Purchase](#)

It took my kitty a few weeks to actually use the scratcher, even with nip. During that time she would walk by it, and I would rub my nails on it to show her how it's done. Eventually she started trying it too, and now she loves it! Like other reviewers mentioned, my cat also enjoys just lying on it sometimes.

In terms of quality, it's a prettt basic rectangle box with corrugated cardboard. The cardboard has started to flake off, but that's much better than carpet pieces! Easy to pick up the pieces. It is reversible and I suspect that each side will last my cat 5-6 months.

Would recommend - just make sure to give your cat some time to adjust! Don't toss it if it doesn't get used right away. I'm glad I didn't.

 Chanklacad

★★★★★ **sturdy product and I always know where to find my cat**

Reviewed in the United States on February 5, 2018

Style: Wide | [Verified Purchase](#)

My cat loves these scratching pads. The very first time I put it out there for her, I used the included catnip and she had a ball. When I think of it (every couple of months, I'll add some new catnip, but for my cat, that's just a bonus. We call it her throne because not only does she use it for scratching her claws, but she also sleeps on it. Whenever I look for her, it is the first place I look and the vast majority of the time..... she is on her throne. It is in front of a slider door (the stationary side) and she'll spend hours on it, watching birds, chipmunks and the great outdoors. She is a long hair maine coon weighing in around 16 lbs and they hold up pretty well under fairly constant use and almost daily scratching. She is a shedder so her long fur collects on the cardboard and when she scratches it, there are bits of cardboard and fur around the scratching pad which is easy to clean up. I also vacuum it and pull off the fur that collects. I originally bought this as an add-on item but now at regular price, it is double the add-on cost. I keep checking so if/when it is add-on again, I will buy a bunch.

 Abbey

★★★★★ **Great, but pricey**

Reviewed in the United States on July 5, 2022

Style: Wide | [Verified Purchase](#)

My cat likes to scratch corrugated cardboard. This one is wider than most scratchers. It's also more expensive.

I prefer the regular sized scratchers because they are cheaper and work fine. My kitty is happy with the standard size. I put them inside a tall cardboard box to contain the cardboard shreds.

I'd recommend considering this wider scratcher if you have a large cat and if he/she likes to sleep on the scratcher. Otherwise, I think most cats are happy with standard size scratchers.

 AZ Brian

★★★★★ **Great Deal**

Reviewed in the United States on January 6, 2016

Style: Wide | [Verified Purchase](#)

Just as good as any other brand and is thicker than many which allows you to flip it over for more use. The catnip that came with it was old but I wasn't buying it for the herbs. The box that Amazon shipped it in makes for a perfect catch for the mess that cats create with these things plus plays to the "fitz-it-sitz" instinct.

 Shainakay [Top Contributor: Makeup](#)

★★★★★ **Great for furniture scratchers**

Reviewed in the United States on March 3, 2017

Style: Wide | [Verified Purchase](#)

I purchased this scratcher in wide, and placed it near where my cat likes to claw the carpet and furniture. He immediately started using this board, and it's wide enough to hold him comfortably, so he will sit and lay on this at random times. He is a 12 lb. Maine Coon and this board is big enough for him to lay on. He's been using this since June 2016 and it is still in really great shape, and has not fallen apart. The catnip included was really good, and helped my cat to like some of his toys again. Now I have this scratcher upstairs in my office, where my cat usually is since I work from home, and he follows me everywhere, and he uses this several times a day. I've also found that he scratches the carpets a lot less now. This scratcher board is sturdy, well-made, and with my cat's almost daily use, has lasted really well. I highly recommend!

 Cat Lady [Top Contributor: Baby](#)

★★★★★ **my 3 boys love this pad**

Reviewed in the United States on February 10, 2017

Style: Wide | [Verified Purchase](#)

I'm not sure which my cats have enjoyed more - the box this thing came in, the cat nip it came with or the actual scratch pad.

My 3 indoor only boys love and I do mean love this scratch pad. Everytime they walk by it they stop and scratch.

The catnip nearly drove one of them mad, which he really did enjoy scratching and rolling around on this pad after i sprinkled nip on it.

With 3 kitties this pad will last me maybe a couple months before needing a replacement - and they have a cat tree with scratching posts on it but this pad is their favorite.

I have 2 other already worn down scratch pads that I keep for them and no matter how new or used they

still enjoy them.
This one is a nice size for adult cats to lay on and roll around on.

Smaller than I expected.

I ordered a scratch pad from Chewy before and it was at least twice as big as this one. I expected this one to be bigger. If I had seen the size chart I would not have ordered this one. But I'll try them and see how they work anyway. Maybe my cats will love them.

Ehh must be too hot here

Normally my kids love a good scratcher, i do not know why these two just do not seem to get their motors started. I think it could be the heat, it has been very very warm here, but i do not know, ok? I mean they might be great for some kids, mine just walked away.

NOT as advertised AT ALL!!

I have two large cats. I've always bought the LARGE/WIDE SCRATCH BOARDS for them Chewy advertises theirs as LARGE/WIDE, but they are actually the smallest ones on the market. I have complained to Chewy about this and they sent a replacement (TWICE) but they are ALL THE SMALL ONES. Very disappointed and wish they would change the description to TINY SCRATCHER, but they never will

not as advertised

This item was advertised as "wide" -It is not. I have a wide one at home that I got from chewy before and this Catit pad is several inches narrower. My cat doesn't like it, and it flips over when he tries to scratch it. Useless as a place for him to scratch--it's always upside down from the last time he tried to scratch. It is NOT wide !!

Good quality but small

My 3 cats love scratching pads. I chose this item due to being a bit less expensive than others. I have been shocked at the price of these cardboard items. These pads are sturdy and being used, but are alas too small for my cats to lay on (a favorite use of prior models).

2

Report

By louie on May 27, 2022

Not Wide!!

I bought this scratcher for a long time because it was wide enough for my cats. They are big boys! Until one day I ordered it and it was 7 inches wide! The size has changed. I don't know how they can advertise this as wide because it's not. Buyer beware.

2

Report

By Rufus on Apr 30, 2022

my two kittens really enjoy these

I tried the "round" scratching toys with the ball. They took the ball out and I have yet to find it. So I tried these and they use them constantly. They actually could be a little longer since they lay on them and scratch away leaving the middle intact. But, hey, I feel whatever makes them happy and keeps them scratching these instead of furniture is great!

NOT as advertised AT ALL!!

I have two large cats. I've always bought the LARGE/WIDE SCRATCH BOARDS for them Chewy advertises theirs as LARGE/WIDE, but they are actually the smallest ones on the market. I have complained to Chewy about this and they sent a replacement (TWICE) but they are ALL THE SMALL ONES. Very disappointed and wish they would change the description to TINY SCRATCHER, but they never will

not as advertised

This item was advertised as "wide" -It is not. I have a wide one at home that I got from chewy before and this Catit pad is several inches narrower. My cat doesn't like it, and it flips over when he tries to scratch it. Useless as a place for him to scratch--it's always upside down from the last time he tried to scratch. It is NOT wide !!

Good quality but small

My 3 cats love scratching pads. I chose this item due to being a bit less expensive than others. I have been shocked at the price of these cardboard items. These pads are sturdy and being used, but are alas too small for my cats to lay on (a favorite use of prior models).

Not Wide!!

I bought this scratcher for a long time because it was wide enough for my cats. They are big boys! Until one day I ordered it and it was 7 inches wide! The size has changed. I don't know how they can advertise this as wide because it's not. Buyer beware.

my two kittens really enjoy these

I tried the "round" scratching toys with the ball. They took the ball out and I have yet to find it. So I tried these and they use them constantly. They actually could be a little longer since they lay on them and scratch away leaving the middle intact. But, hey, I feel whatever makes them happy and keeps them scratching these instead of furniture is great!

Stale catnip

My cats loved the large sized scratcher but the pack of catnip was stale and odorless. Both of my cats turned there noses up (they didn't like it) to the catnip provided with the scratcher. Fortunately I had another fresh bag of catnip that I got through Chewy to save the day !

Cat loves it

I bought this for a cat that loved to claw the heck out of couches/chairs. I sprinkled a little catnip on it, and he immediately laid on it and clawed at it. I find him sleeping on it every day. It saved my chairs! He's a large cat, so I wanted to make sure I got something wider, and this is perfect for him.
