PETITION FOR CANCELLATION

Delegator, LLC ("Petitioner"), a limited liability company organized and existing under the laws of Tennessee with a principal place of business at 701 Cherry Street, Suite 300, Chattanooga, TN 37402, believes that it will be damaged by Shvetsov Roman Vyacheslavovich's ("Respondent") continued registration of U.S. Trademark Registration No. 5,999,519 for the mark DELEGATOR24 ("Respondent's Mark") in International Class 035 in connection with:

Advertising agency services; rental of advertising space; business auditing; business intermediary services relating to the matching of potential private investors with entrepreneurs needing funding; employment agency services; computerized file management; bookkeeping; invoicing; Services consisting of the registration, collection, transcription, compilation and systemization of written communications and data; Public opinion polling; Conducting market studies; providing business marketing information;

Commercial information and advice for consumers in the choice of products and services; business investigations; marketing research; personnel recruitment; business management and organization consultancy; consulting regarding public relations communication strategy; personnel management consultancy; professional business consultancy; consulting regarding advertising communication strategy; layout services for advertising purposes; marketing services; writing of resumes for others; scriptwriting for advertising purposes; news clipping services; updating and maintenance of information in registries; updating and maintenance of data in computer databases; updating of advertising material; word processing; organization of exhibitions for commercial or advertising purposes; design of advertising materials; business appraisals; payroll preparation; business management assistance to industrial or commercial companies; commercial and industrial management assistance; commercial intermediation services, namely, mediation of contracts for purchase and sale of products; providing business information via a web site; provision of commercial and business contact information; Compiling indexes of information, namely, web indexing for commercial or advertising purposes; Providing television home shopping services in the field of general consumer merchandise; economic forecasting services; sales promotion for others; production of advertising films; publication of publicity texts; dissemination of advertising matter; direct mail advertising services; writing of publicity texts; advertising services; on-line advertising on a computer network; advertising by mail order; compilation of statistics; compilation of information into computer databases; business inquiries; systemization of information into computer databases; advisory services for business management, namely, business management consulting and advisory services; negotiation of business contracts for others; negotiation and conclusion of commercial transactions for third parties; compiling indexes of information for commercial or advertising purposes; tax preparation; drawing up of statements of accounts, namely, preparation of financial statement, accounts receivable billing services; psychological testing for the selection of personnel; business and personnel management; Commercial administration of the licensing of the goods and services of others; business administration of consumer loyalty programs; administrative processing of purchase orders; Word processing and typing services; appointment reminder services; website traffic optimization; tax filing services; search engine optimization for sales promotion; appointment scheduling services; price comparison services; secretarial services; Procurement services, namely, procurement of contracts for others for purchasing goods

and services for other businesses; shorthand services; outsourcing services; telephone answering for unavailable subscribers; business efficiency expert services ("Respondent's Services").

(The "Respondent Registration.") Petitioner petitions for cancellation of the Respondent Registration on grounds of likelihood of confusion and nonuse pursuant to Section 14 of the Lanham Trademark Act of 1946 ("Lanham Act"), 15 U.S.C. § 1064. As grounds for cancellation, Petitioner alleges as follows:

1. Petitioner Delegator, LLC ("Petitioner") is a limited liability company organized and existing under the laws of Tennessee with a principal place of business at 701 Cherry Street, Suite 300, Chattanooga, TN 37402.

2. Petitioner began providing personal concierge services in or before 2003, and has been providing digital advertising and marketing services since at least 2009, and has been providing technical computer technology consulting services since at least 2010.

3. Petitioner has used the mark DELEGATOR in U.S. continuously in interstate commerce since at least as early as 2003, including use in connection with digital advertising and marketing services since at least as early as December 31, 2009, and in connection with technical computer technology consulting services since at least as early as 2010. As a result of this use, consumers in the United States have come to associate the DELEGATOR mark, as used in connection with digital advertising and marketing services, and technical computer technology consulting services with Petitioner and Petitioner's services. Petitioner, therefore, is the owner of common law rights in the DELEGATOR mark in connection with digital advertising and marketing services, and technical computer technology consulting services.

4. Petitioner is the owner of valid and subsisting U.S. Registration No. 3,777,583 for the DELEGATOR mark which issued on April 20, 2010, was corrected on July 13,

2010, and has become incontestable within the meaning of Section 15 of the Lanham Act, 15 U.S.C. § 1065. Attached as Exhibit A is a true and correct copy of corrected U.S. Registration No. 3,777,583. Attached as Exhibit B is a true and correct printout from the United States Patent and Trademark Office electronic database showing the current status and title of U.S. Registration No. 3,777,583 as of April 18, 2023.

5. Petitioner is the owner of U.S. Registration No. 3,777,591 for the DELEGATOR GET IT DONE. mark which issued on April 20, 2010, was corrected on July 13, 2010, and has become incontestable within the meaning of Section 15 of the Lanham Act, 15 U.S.C. § 1065. Attached as Exhibit C is a true and correct copy of corrected U.S. Registration No. 3,777,591. Attached as Exhibit D is a true and correct printout from the United States Patent and Trademark Office electronic database showing the current status and title of U.S. Registration No. 3,777,591 as of April 18, 2023.

6. Petitioner filed Application Serial No. 90/887,817 on August 17, 2021 (the "Petitioner Application") for the DELEGATOR mark, which, as amended, seeks registration for use in connection with the following services in International Class 42, which will hereafter be referred to as the "Pending App Services"):

digital advertising services; web site optimization; website traffic optimization; search engine optimization for sales promotion; marketing services in the field of web site traffic optimization; marketing services in the field of conversion rate optimization (CRO); consulting services in the field of search engine optimization for sales promotion; advertising agency services; advertising and marketing services provided by means of indirect methods of marketing communications, namely, social media, search engine marketing, inquiry marketing, internet marketing, mobile marketing, blogging and other forms of passive, sharable or viral communications channels; technical business consulting in the field of marketing" in International Class 35, and "computer technology consulting services in the field of computer system due diligence services for others in the field of stability, scalability, and

performance; technical computer technology consulting services in the field of computer system and software due diligence services for others in the field of mergers, acquisitions and financing."

The Petitioner Application is pending. Attached hereto as Exhibit E is a pdf copy of the pending Petitioner Application as filed.

7. Petitioner has been using the DELEGATOR trademark continuously in interstate commerce in connection with the Pending App Services in International Class 35 since at least as early as December 31, 2009, and since at least as early as December 31, 2010 for the Pending App Services in International Class 42.

8. Petitioner and its DELEGATOR brands have developed a strong reputation in the digital advertising and marketing and technical computer technology consulting services industries in the United States, based upon over ten (10) years of continuous service.

9. As a result of the success of Petitioner's business, Petitioner's DELEGATOR trademarks and the goodwill associated with the services offered under Petitioner's DELEGATOR trademarks are recognized and well known by consumers throughout the United States.

10. Petitioner has engaged and continues to engage in widespread advertising efforts to further build consumer recognition of the services offered under Petitioner's DELEGATOR trademarks.

11. Petitioner has expended substantial amounts of time, money and effort in advertising and promoting its DELEGATOR trademarks for over a decade, and in developing and maintaining the goodwill associated therewith.

12. As a result of Petitioner's extensive and continuous efforts, the purchasing public and members of the trade now immediately and directly associate Petitioner's

DELEGATOR trademarks with Petitioner and its services, thereby confirming the distinctive nature of Petitioner's DELEGATOR trademarks.

13. As a result of its widespread, continuous, and exclusive use of Petitioner's DELEGATOR trademarks to identify the Pending App Services and Petitioner as their source, Petitioner owns valid and subsisting federal statutory and common law rights to the DELEGATOR trademark.

14. In a final Office Action dated January 20, 2023 (the "Final Office Action"), the Examining Attorney cited the Respondent Registration against the Petitioner Application, asserting that registration of the DELEGATOR mark would be likely to cause consumer confusion with the DELEGATOR24 mark of the Respondent Registration, thereby interfering with the Petitioner Application and causing harm to Petitioner. Petitioner, therefore, has a real interest in seeking cancellation of the Respondent Registration and is entitled to bring this action.

15. Respondent Shvetsov Roman Vyacheslavovich, a citizen of the Russian Federation with an address of 33, Zhulebensky Blvd., block 1, Apt. 229, Moscow, Russian Federation, is the current listed owner of Respondent's Registration.

16. On February 9, 2018, Respondent filed Application Serial No. 87/791,914 (the "Respondent Application") to register the DELEGATOR24 mark in, *inter alia*, International Class 35 in connection with:

Advertising agency services; rental of advertising space; business auditing; business intermediary services relating to the matching of potential private investors with entrepreneurs needing funding; employment agency services; computerized file management; bookkeeping; invoicing; Services consisting of the registration, collection, transcription, compilation and systemization of written communications and data; Public opinion polling; Conducting market studies; providing business marketing information;

Commercial information and advice for consumers in the choice of products and services; business investigations; marketing research; personnel recruitment; business management and organization consultancy; consulting regarding public relations communication strategy; personnel management consultancy; professional business consultancy; consulting regarding advertising communication strategy; layout services for advertising purposes; marketing services; writing of resumes for others; scriptwriting for advertising purposes; news clipping services; updating and maintenance of information in registries; updating and maintenance of data in computer databases; updating of advertising material; word processing; organization of exhibitions for commercial or advertising purposes; design of advertising materials; business appraisals; payroll preparation; business management assistance to industrial or commercial companies; commercial and industrial management assistance; commercial intermediation services, namely, mediation of contracts for purchase and sale of products; providing business information via a web site; provision of commercial and business contact information; Compiling indexes of information, namely, web indexing for commercial or advertising purposes; Providing television home shopping services in the field of general consumer merchandise; economic forecasting services; sales promotion for others; production of advertising films; publication of publicity texts; dissemination of advertising matter; direct mail advertising services; writing of publicity texts; advertising services; on-line advertising on a computer network; advertising by mail order; compilation of statistics; compilation of information into computer databases; business inquiries; systemization of information into computer databases; advisory services for business management, namely, business management consulting and advisory services; negotiation of business contracts for others; negotiation and conclusion of commercial transactions for third parties; compiling indexes of information for commercial or advertising purposes; tax preparation; drawing up of statements of accounts, namely, preparation of financial statement, accounts receivable billing services; psychological testing for the selection of personnel; business and personnel management; Commercial administration of the licensing of the goods and services of others; business administration of consumer loyalty programs; administrative processing of purchase orders; Word processing and typing services; appointment reminder services; website traffic optimization; tax filing services; search engine optimization for sales promotion; appointment scheduling services; price comparison services; secretarial services; Procurement services, namely, procurement of contracts for others for purchasing goods

and services for other businesses; shorthand services; outsourcing services; telephone answering for unavailable subscribers; business efficiency expert services.

The foregoing was the basis for the Respondent Registration at issue in this proceeding. Respondent filed the Respondent Application based on an intent to use the DELEGATOR24 mark in U.S. commerce under Section 1(b) of the Lanham Act, 15 U.S.C. §1051(b). During prosecution, the Respondent amended the application to assert Section 44(e) of the Lanham Act as the filing basis based upon Registrant's foreign registration for the DELEGATOR24 mark in the Russian Federation.

17. Respondent's Attorney of Record for the Respondent Application is Alexander Lazouski ("Lazouski"), of Lazouski IP LLC, located at 14726 Bowfin Ter., Suite 1, Lakewood Ranch, FL 34202 with emails of al@lzlawoffice.com and info@lzlawoffice.com.

18. The Respondent Registration does not have an appointed domestic representative.

19. On information and belief, the Respondent does not maintain any place of business or other physical address in the United States.

20. On information and belief, the Respondent has never provided any goods or services to consumers in the United States or otherwise in interstate commerce.

21. The price list for Respondent's services posted on Respondent's website is denoted in Russian Federation rubles. *See* Screen Capture dated 3/10/23 from Respondent's website at <https://delegator24.ru/> which has been translated from Russian into English, attached as Exhibit F.

22. Petitioner's DELEGATOR trademarks have priority over Respondent's mark because Petitioner's first-use dates for the DELEGATOR trademarks predate the filing date

of Respondent's application for Registration No. 5,999,519 or any other date on which the Respondent may rely for purposes of priority.

23. Respondent's Mark is confusingly similar to Petitioner's DELEGATOR trademark in sight, sound and commercial impression.

24. Many of the Respondent's Services covered by Respondent's Trademark Registration No. 5,999,519 are identical to Petitioner's Pending App Services.

25. Respondent's Registration No. 5,999,519 is unrestricted as to consumers and trade channels. As such, it is presumed that Respondent's Services identified in the challenged registration are sold to all ordinary consumers of services, including consumers of Petitioner's Pending App Services, and travel in all ordinary trade channels, including the trade channels through which Petitioner provides its services under its DELEGATOR trademarks.

26. In the Respondent Application filed on February 9, 2018, Respondent's Attorney of Record, Alexander Lazouski, on Respondent's behalf, represented to the USPTO that Respondent had a *bona fide* intention to use the DELEGATOR²⁴ mark in commerce as defined in Section 45 of the Trademark Act, 15 U.S.C. §1127, in connection with the relevant services (the "Representation").

27. On information and belief, Respondent did not have a *bona fide* intent to use Respondent's Mark in commerce as defined in Section 45 of the Trademark Act, 15 U.S.C. §1127, on February 9, 2018 – the date of the filing of the intent to use-based application that matured into the Respondent Registration of the Respondent's Mark.

28. On information and belief, the Representation continues to be false as of the filing of this Petition for Cancellation.

29. On information and belief, because Respondent did not have a *bona fide* intent to use Respondent's Mark in commerce as of the filing date, and as evidence obtained through discovery in this proceeding will likely further show, Respondent and Lazouski knew the Representation was false at the time it was made.

30. As evidenced by Respondent's petition to amend the filing basis of Respondent's Application to §44(e) subsequent to the issuance of a Notice of Allowance when the application was based upon §1(b), the only reasonable inference is that Lazouski made the Representation on Respondent's behalf to mislead the USPTO and to cause the USPTO to issue the Respondent Registration.

31. The false Representation was material because, but for the false Representation, the USPTO would not have issued the Notice of Allowance for the Respondent's Application. However, in reliance on the false Representation, the USPTO issued the Notice of Allowance February 12, 2019.

32. Respondent's website at <https://delegator24.ru/> is hosted in the Russian Federation by the Coordination Center for TLD .RU which accredits domain name registration services to end-users in the Russian Federation.

33. Respondent's website at <https://delegator24.ru/> is displayed entirely in Russian except for the Respondent's Mark. A copy of a screen capture of Respondent's website at <https://delegator24.ru/> which was captured on March 8, 2023, is attached as Exhibit G.

34. As of March 7, 2023, the URL www.delegator24.com is available for sale by Go Daddy. *See* Exhibit H attached hereto.

35. On information and belief, Respondent's business is directed to and conducted entirely within the Russian Federation.

36. Upon information and belief, since the issuance of the Respondent Registration on March 3, 2020, the Respondent has not used Respondent's Mark for some or all of the goods listed in the Respondent Registration in commerce which may lawfully be regulated by Congress for a period exceeding three years and is therefore subject to cancellation for nonuse pursuant to the Lanham Act, § 14(6), 15 U.S.C. 1064(6).

37. Upon information and belief, Respondent does not include Respondent's Mark on or within any consumer-facing advertising materials used or distributed in commerce which may lawfully be regulated by Congress and has not done so for a period exceeding three years.

38. Upon information and belief, Respondent has never used Respondent's Mark in connection with the registered services in commerce which may lawfully be regulated by Congress, including for a period exceeding three years since the Respondent Application was issued.

39. Respondent, upon information and belief, has made no trademark use of Respondent's Mark in commerce which may lawfully be regulated by Congress, including for a period exceeding three years since the Respondent Application was issued, in connection with the some or all of the services contained in the Respondent Registration.

GROUND FOR CANCELLATION

COUNT 1 – LIKELIHOOD OF CONFUSION

40. Petitioner incorporates each and every allegation in the preceding paragraphs of this Petition for Cancellation as though fully set forth herein.

41. Respondent's registration should be cancelled because it consists of or comprises a mark which so resembles Petitioner's previously used and registered DELEGATOR

trademark as to be likely, when used in connection with Respondent's services, to cause confusion, mistake, or deception within the meaning of 15 U.S.C. § 1052(d), and to cause damage to Petitioner thereby.

COUNT 2 - ABANDONMENT

42. Petitioner incorporates each and every allegation in the preceding paragraphs of this Petition for Cancellation as though fully set forth herein.

43. Based upon reasonable search and investigation, Petitioner has been unable to find evidence of Respondent's *bona fide* use of Respondent's Marks in U.S. commerce for any of the services identified in the Registrations.

44. Upon information and belief, Respondent has not used or discontinued use of Respondent's Mark in interstate commerce in connection with all of the services identified in the Registration for a period exceeding three years.

45. Upon information and belief, Respondent intends not to resume use of Respondent's Mark in the Registration in interstate commerce in connection with these services within the United States.

46. Accordingly, Respondent has abandoned Respondent's Mark in connection with these services and Registration No. 5,999,519 is subject to cancellation pursuant to 15 U.S.C. § 1064(3).

47. Continued registration of Respondent's Mark, namely, DELEGATOR24, by Respondent would create statutory rights in favor of Respondent, and thereby restrict, interfere with and damage Petitioner in the unhampered conduct of its business and protection of its legitimate interests.

48. By reason of the foregoing, Petitioner has been and will continue to be damaged by continued registration of Respondent's Mark by Respondent.

49. Petitioner has been and will continue to be harmed by the continued registration of the Respondent Registration because it is preventing Petitioner from obtaining a registration for its DELEGATOR mark. Respondent could rely on the Respondent Registration to assert its alleged rights against Petitioner.

50. The cancellation fee in the amount of \$600.00 per class is filed herewith.

WHEREFORE, Petitioner respectfully prays that its cancellation be sustained and that Respondent's Registration No. 5,999,519 be cancelled.

Declaration

☒ **Basis:**

If the applicant is filing the application based on use in commerce under 15 U.S.C. § 1051(a):

- The signatory believes that the applicant is the owner of the trademark/service mark sought to be registered;
- The mark is in use in commerce and was in use in commerce as of the filing date of the application on or in connection with the goods/services in the application;
- The specimen(s) shows the mark as used on or in connection with the goods/services in the application and was used on or in connection with the goods/services in the application as of the application filing date; and
- To the best of the signatory's knowledge and belief, the facts recited in the application are accurate.

And/Or

If the applicant is filing the application based on an intent to use the mark in commerce under 15 U.S.C. § 1051(b), § 1126(d), and/or § 1126(e):

- The signatory believes that the applicant is entitled to use the mark in commerce;
- The applicant has a bona fide intention to use the mark in commerce and had a bona fide intention to use the mark in commerce as of the application filing date on or in connection with the goods/services in the application; and
- To the best of the signatory's knowledge and belief, the facts recited in the application are accurate.

☒ To the best of the signatory's knowledge and belief, no other persons, except, if applicable, concurrent users, have the right to use the mark in commerce, either in the identical form or in such near resemblance as to be likely, when used on or in connection with the goods/services of such other persons, to cause confusion or mistake, or to deceive.

☒ To the best of the signatory's knowledge, information, and belief, formed after an inquiry reasonable under the circumstances, the allegations and other factual contentions made above have evidentiary support.

☒ The signatory being warned that willful false statements and the like are punishable by fine or imprisonment, or both, under 18 U.S.C. § 1001, and that such willful false statements and the like may jeopardize the validity of the application or submission or any registration

resulting therefrom, declares that all statements made of his/her own knowledge are true and all statements made on information and belief are believed to be true.

the foundation for our advertising management process. If you feel that you aren't getting the right information from your website, we can conduct a Google Analytics audit and implementation to ensure that you get the data right and that it translates to knowledge, and from there, action.

Delegator includes a comprehensive Analytics review and implementation into each advertising contract, since good data is the foundation for good PPC decision making. If you're not ready to advertise online or if you feel comfortable managing in-house, we offer one-time Analytics audits to ensure that you're capturing and presenting the data in a way that gives you insight into your customers and website performance.

THE DELEGATOR TEAM CONDUCTS AUDITS FOR WHEN YOU NEED AN EXPERT ASSESSMENT OF YOUR TECHNICAL ASSETS, SUCH AS:

A private equity firm is evaluating purchasing a company that sells online, or contains software as a key component of their business. Delegator can identify areas of risk for losing out on web traffic, or find security weaknesses.

• A new leader has taken over at a company, and wants a third party to evaluate the technical decisions that have been made in order to set strategic priorities.

• A company that feels that their online channel should be doing more for them, but don't know where to start. Our SEO and PPC experts can help find the opportunities and put together a roadmap for improvement.

• A venture capital firm is in talks to invest in an early stage software product, and wants independent verification that the software is as good as the developers say it is.

Я поставлю сервису 8 баллов по 10 балльной шкале, даже 8 ближе к 9. 10 не поставлю только потому, что нужно всегда расти. Я очень доволен ассистентами, которые со мной работают. Сотрудничаю с сервисом уже почти год. Могу сказать, что экономия времени колоссальная. Простой пример - я экономлю на подборе ассистента 30 дней. В компании подбор нужного человека занимает порядка 1 месяца, а Делегатор 24 мне его находит за 7 минут. Если он мне не подходит - его меняют - тоже за 7 минут. Это только одно из преимуществ работы. Делегируйте и экономьте время.

Меня очень сильно в последний момент подвел гостевой редактор и я вспомнила про сервис Делегатор24, где одну задачу может выполнить сразу 10 человек. Я очень благодарна, ведь специалисты смогли выполнить очень сложную, серьезную, требующую многолетней подготовки работу гостевого редактора и пригласили звездных гостей на съемку, все организовали. Не было ни одной накладки. Спасибо огромное всем специалистам. Сервису можно поручить самые сложные бизнес задачи.
