v.

Oracle America, Inc.

Tashia A. Bunch, Interlocutory Attorney:

The stipulated protective agreement filed on October 22, 2025 is noted and its use in this proceeding is approved. *See* Trademark Rule 2.116(g). The parties are referred, as appropriate, to TBMP §§ 412.04 (Filing Confidential Materials With Board), and 412.05 (Handling of Confidential Materials by the Board).

The parties are advised that only confidential or trade secret information should be filed pursuant to a stipulated protective agreement. Such an agreement may not be used as a means of circumventing Trademark Rules 2.27(d) and (e), which provide that the file of a published application or issued registration, and all proceedings relating thereto, should otherwise be available for public inspection. The Board may treat as not confidential that material which cannot reasonably be considered confidential, notwithstanding a designation as such by a party. *See* Trademark Rule 2.116(g).

The proceeding schedule remains as set by the Board order of June 18, 2025.
