**AMENDED PETITION FOR CANCELLATION**

Petitioner, Life’s Fortune LLC (“Petitioner” or “Life’s Fortune”) believes that it is and will be damaged by the presence of Registration No. 6014122 (the “NTTM Registration”) owned by NTTM, LLC (“Registrant” or “NTTM”) for the trademark NATURE’S FORTUNE (“Nature’s Fortune Mark”) registered in connection with “Nutritional Supplements” in International Class 5 (“Registrant’s Products”). A true and correct copy of the NTTM Registration certificate is attached hereto as **Exhibit A**. Life’s Fortune hereby petitions to cancel said registration pursuant to 15 U.S.C. § 1064(3).

As grounds for Cancellation, Life’s Fortune alleges the following:

1. Life’s Fortune is a New York limited liability company, with a principal place of business at 79 Route 17, Southfields, New York 10975.

2. Life's Fortune is a producer and supplier of vitamins and dietary and nutritional supplement products.

3. Upon information and belief, Registrant is a New York liability company with a place of business at 2120 Smithtown Avenue, Ronkonkoma, New York 11779.

4. On January 9, 2018, Registrant filed an application under Section 1(a) of the Lanham Act, 15 U.S.C. §1051(a) with the United States Patent and Trademark Office ("USPTO") for registration of the NATURE'S FORTUNE mark ("Registrant's Application"). This Application was assigned Serial No. 87748506. A true and correct copy of Registrant's Application is attached hereto as **Exhibit B**.

5. The NATURE'S FORTUNE Mark registered on March 17, 2020, with an alleged date of first use and date of first use in commerce of August 30, 2018. *See Exhibit B*.

6. Petitioner owns Registration No. 86363235 for LIFE'S FORTUNE ("LIFE'S FORTUNE Mark") in connection with "Dietary and Nutritional Supplements" in International Class 5 ("Petitioner's Registration"). A true and correct copy of the Petitioner's Registration is attached hereto as **Exhibit C**.

**Cancellation for Non-Use and Abandonment**

7. Upon information and belief, neither Registrant nor any licensees of Registrant used the NATURE'S FORTUNE Mark in United States Commerce or in connection with Registrant's Goods for at least three consecutive years.

8. Upon information and belief, Registrant, for three consecutive years between, in or around June 2020 until at least July 2024, discontinued its use of the NATURE'S FORTUNE Mark for at least three consecutive years with the intent not to resume such use.

9. Since it was issued on April 7, 2015, Petitioner has used, and continues to use, its similar Life's Fortune mark on or in connection with the same products as Registrant's Products, in commerce within the United States.

10. However, since abandoning the NATURE'S FORTUNE Mark with no intention of resuming such use for at least three consecutive years, upon information and belief, Registrant, as of July 2, 2024, has sought to sell products on Amazon.com with the abandoned NATURE'S FORTUNE Mark that are identical to those sold under Petitioner's LIFE'S FORTUNE Mark.

**Cancellation for Misrepresentation**

11. Petitioner has been offering products using the LIFE'S FORTUNE MARK through the Amazon Marketplace as early as June 1, 2004, and as seen below has garnered thousands of positive review and accumulated a near-perfect customer rating of 4.7 out 5 stars.

12. Upon information and belief, it was only after of July 2024, that Registrant began to advertise and offer nutritional supplement products for sale under the NATURE'S FORTUNE Mark, including the Amazon.com Marketplace, in order to take advantage of the decades of goodwill developed by Petitioner.

13. As shown below, Registrant created a new product listing on Amazon for a supplement product using the NATURE'S FORTUNE Mark:

14. Registrant copied the color scheme used by Petitioner for its competing product, including the gold and green colors, and sought to invoke Petitioner's reputation when marketing its goods.

15. Registrant has used its NATURE'S FORTUNE Mark in a manner calculated to trade on the goodwill and reputation of Petitioner.

16. The ongoing misrepresentation of source of goods by Registrant is further evidenced by its use search terms, keywords and other deceptive digital advertising methods.

17. As seen below, consumers searching for "Life's Fortune" products on Amazon are immediately directed to Registrant's good, as well as Life's Fortune's product:

18. Thus, the use, and continued registration of the NATURE'S FORTUNE Mark, has, and will continue to, lead to the mistaken belief that Registrant's goods originated with, are affiliated with, or are sponsored or approved by Petitioner.

19. As such, Petitioner will be damaged by the continued registration of the NTTM Registration for NATURE'S FORTUNE and hereby petitions to cancel the Registration under Section 14 of the Lanham Act, 15 U.S.C. § 1064.

WHEREFORE, Petitioner, by its undersigned attorneys, requests that the cancellation be sustained, that the Registration be cancelled, and that the Trademark Trial and Appeal Board grant any and all further relief to Petitioner that the Board finds to be necessary and just in the circumstances.

Petitioner appoints as its attorneys in this proceeding Mark Berkowitz of the firm Tarter Krinsky & Drogin LLP, 1350 Broadway, New York, New York 10018, to whom all correspondence in this proceeding should be addressed.
