Ex Parte Appeal No. 97213690

LaTricia Harrison, Paralegal Specialist:

On June 9, 2023, Appellant filed a request to remand the application to the Trademark Examining Attorney. Appellant seeks remand so that the Trademark Examining Attorney may consider the amendment to assert a claim of acquired distinctiveness.

Good cause having been shown, the request for remand is granted, action on the appeal is suspended, and the file is remanded to the Trademark Examining Attorney. *See* TBMP § 1209.04.

If registrability is found on the basis of the request for remand, the appeal will be moot. In the event the refusal of registration is maintained, and assuming that the request for remand does not raise a new issue, the application will be returned to the Board, proceedings in the appeal will be resumed, and Appellant will be allowed time in which to file an appeal brief. If the request for remand raises a new issue, the Examining Attorney may not issue a final refusal until the Appellant has been given an opportunity to respond. Upon issuance of a final refusal, proceedings in the appeal will be resumed, and Appellant will be allowed time in which to file an appeal brief.
