60 Day Request for Extension of Time to Oppose for Good Cause

Pursuant to 37 C.F.R. Section 2.102, LCB Battery, LLC, 649 MEADOW HILL ROAD, FORT WORTH, TX 76108, UNITED STATES respectfully requests that he/she/it be granted an additional 60-day extension of time to file a notice of opposition against the above-identified mark for cause shown.

Potential opposer believes that good cause is established for this request by:

- *Applicant's ITU Apps. Ser. Nos. 97330659 and 97330505 for JOLT were originally rejected based upon the Office Action finding a likelihood of confusion with Potential Opposer's JOLT Reg. 4595344. Applicant via Default in Cancellation No 92081062 canceled Potential Opposer's JOLT Reg. 4595344, ultimately resulting its Applications being passed to publication. After belatedly learning of the above events, Potential Opposer filed a Motion for Relief from Entry of Default Judgment and For Leave to Answer (Motion) on November 11, 2023 in Cancellation No 92081062. Applicant's Opposition/Response and Potential Opposer's Reply have been filed. TTAB decision pending. For good cause, Potential Opposer requests an additional 60 days to oppose.*

The time within which to file a notice of opposition is set to expire on 12/02/2023. LCB Battery, LLC respectfully requests that the time period within which to file an opposition be extended until 01/31/2024.

Respectfully submitted,
/Charles D. Gunter, Jr./
