REQUEST FOR REMAND TO EXAMINING ATTORNEY

As noted in the May 12, 2026 filing before the Board providing dates for the oral argument, the undersigned has recently been engaged by Applicant to assist in the prosecution of the above-noted application. Since being engaged, I have worked with Applicant in negotiating a co-existence and consent agreement with the owner of the registration cited as the basis for the examining Trademark Attorney's Section 2(d) refusal.

Applicant has now reached an agreement on terms for such co-existence and consent agreement with the owner of the cited registration and reduced the terms of that agreement to writing. The parties are now in the process of finalizing the agreement, which when completed is believed will be able to obviate the Section 2(d) refusal raised by the Examining Attorney, thereby rendering the instant appeal as moot.

As the Applicant does not wish to waste the time of the Board or of the Examining Attorney, Applicant is therefore requesting that the instant matter be suspended so that the file may be remanded back to the Examining Attorney for consideration of the aforementioned co-existence and consent agreement.

As required by the Board's May 21, 2026 scheduling order, Applicant is submitting this written request to suspend the instant appeal and to remand the file back to the Examining

Attorney, and thereby postpone the oral argument pending further action by the Examining Attorney, two weeks prior to the currently scheduled oral hearing date of July 29, 2026.

Respectfully submitted.

Dated: July 15, 2026
