Applicant's First Request for Extension of Time to File Appeal Brief

Applicant YFORE TECHNOLOGY CO., LTD. ("Applicant"), by and through undersigned counsel, respectfully requests a thirty (30) day extension of time to file its appeal brief in the above-captioned ex parte appeal.

Statement of Request

This is Applicant's first request for an extension of time to file its appeal brief in this ex parte appeal. The appeal brief is currently due on April 13, 2026. Applicant respectfully requests that the deadline to file its appeal brief be extended by thirty (30) days, to and including May 13, 2026. This request is filed before the expiration of the current deadline of April 13, 2026.

Good Cause

Pursuant to TBMP § 1203.02(d), Applicant submits that good cause exists for the requested extension. Specifically, counsel for Applicant requires additional time to:

- review the prosecution record in this matter;
- analyze the final refusal and the denial of Applicant's request for reconsideration and attend to further communications with Applicant regarding same;
- evaluate cited registration and the goods identified therein in relation to Applicant's goods;

- research applicable legal authorities and precedent relevant to the Section 2(d) likelihood of confusion refusal on appeal; and
- prepare an appeal brief with Applicant that addresses the issues presented.

The requested extension will allow Applicant and counsel to further confer, including obtaining instructions from the foreign applicant, to prepare its appeal brief and promote orderly presentation of Applicant's position to the Board.

Conclusion

For the foregoing reasons, Applicant respectfully requests that the Board grant this first request for extension of time and reset the deadline for filing Applicant's appeal brief to May 13, 2026.

Date: April 12, 2026

Respectfully submitted,
